

## Milk Shippers To Join With Ontario League

Newmarket—Milk shippers in the Newmarket area will affiliate with the Ontario Milk League, a meeting attended by shippers from Newmarket and Richmond Hill decided Tuesday night. It is expected that the local organization will take in Aurora and Richmond Hill.

The officers elected were: pres., Bob Lewis; vice-pres., Alfred Kelly; sec.-treas., Tom Watson; Newmarket directors, H. McClure, Alex Miller and M. Blanchard; Richmond Hill directors, Bob Campbell and Stan Tyndall. The next meeting was called for Tuesday, Feb. 3, in the agricultural board rooms, Newmarket.

The local organization is a result of a change in the provincial act requiring each market to negotiate its own contracts

## Planning Committee Asks \$1,750 To Aid Effort

Aurora—The town planning committee in their first annual report have requested council to include in the 1948 estimates the sum of \$1,750 in order that technical advisors may be consulted and the work accomplished in 1947 consolidated. The committee also requests that council act "in preventing the use of land and the erection of buildings at variance with public interests" and point out that while there is much that can not be eradicated from the past in connection with what is sound town planning, they do not want "undesirable occurrences" to take place in the future. The committee looks for industrial expansion and stresses the fact that any school building should be in accord with accepted town planning essentials. Guelph is cited as a municipality that has attracted outside industry because of the existence of a good city plan for the future.

"They are a hard working body and meet regularly twice a month," said Mayor Rose when the report was tabled at a council meeting last week. "They have made their preliminary investigations and would now like

## Arthur Green Dies Week After Wife

Aurora—Barely a week after the death of his wife, Arthur Green, Temperance St., died at Sutton Private hospital. In his 75th year, Mr. Green was born in Kent, England, and came to Aurora over 40 years ago. He was for many years employed by J. Fleury & Son and was one time a member of Aurora Citizens' band. Prominent in fraternal work, he was a past master of Rising Sun Masonic Lodge and a past first principal of Aurora Chapter Royal Arch Masons, and a past president of Aurora Lodge Loyalty, Sons of England. A member of Aurora United church, he was at one time active in church organizations. He had been retired the past ten years. He is survived by one son, Clifford of Toronto. Interment was at Aurora cemetery on Monday, with Rev. Roy F. Hicks in charge.

**PAPER LATE**  
The Editor regrets that electrical difficulties delayed the publication of this week's issue. Connections in the fuse box controlling the newspaper press burned out Thursday morning causing a four-hour delay.

## YORK WARDEN

Reeve Kenneth L. Thompson, Weston, was elected warden of York county council Tuesday. He was a county commissioner in 1946. Other aspirants to the wardenship were Reeve Boynton Wedrick, Vaughan, and Rev. Charles New Toronto, and Reeve Strath McMaster, York twp.

## LAYS TRIPLE-YOLKER

Aurora—An egg with a triple yolk and measuring eight and a quarter inches (circumference lengthwise) by six and a half inches (circumference of the width), was laid by a six-months-old Light Sussex pullet near Aurora recently. The hen is owned by Mrs. D. Rushworth, who lives on a poultry farm called The Pine.

## Aurora Council Committees Struck

Aurora—Committee for the Aurora town council as struck for 1948 are as follows with the first member named as chairman: finance, J. E. Sisman, Thos. Swindle, Reeve A. A. Cook; streets, Deputy-Reeve H. R. Corner, Chas. Davies, Thos. Swindle; property, Victor Jones, Harold Pringle, Chas. Davies; fire and water, Reeve Cook, V. Jones, J. E. Sisman;

Sports and publicity, Clifford Corbett, R. H. Corner, V. Jones; by-laws and industrial, Chas. Davies, V. Jones, C. Corbett; social welfare and sanitation, Thos. Swindle, C. Corbett, H. Pringle; town planning, Harold Pringle, A. A. Cook, H. R. Corner; police, Mayor Dr. Crawford Rose, R. H. Corner, J. E. Sisman, C. Corbett; building permits, Clerk Harold Clarke, Mayor Rose, Chas. Davies.

## 'Christian Businessmen' Hold First Meeting

Newmarket—The Christian Businessmen's committee international held its inaugural dinner meeting in the Friends' church recently. Over 80 were present. The meeting was sponsored by the officials of the Toronto committee.

Murray Baker, Newmarket, chairman, opened the meeting and then turned it over to Chap Green, chairman of the Toronto committee. Guest soloist of the evening was a former Newmarket boy who is now residing in Toronto, Ken Miller. A lively sing-song was led by Harold Hill-ton.

The guest speaker was Perry Heyden, Tecumseh, Mich., noted wheat grower, who presented two sound technical films showing his experiment with a cubic inch of wheat sown on a small plot of ground. The films showed the successive crops over a six-year period from the original cubic inch until finally it had covered thousands of acres.

The late Henry Ford, shown in the film, donated large tracts of land for the purpose and thousands of dollars for implements and other supplies.

The next meeting of the Christian Businessmen's committee will be held on the first Monday in February.

## Over 100 Attend United Church Y. P. Rally

Newmarket—There were over 100 young people at Trinity United church on Tuesday evening when the Toronto Centre Presbytery North of the United church held a Young People's Rally. Arthur Starr presided and the devotional period was conducted by the Laskey Y.P.U.

Recreation and a sing-song were features of the program and refreshments were provided by the Newmarket Y.P.U. The sound film "Beyond Our Own," the first Protestant film ever made by the Protestant churches of Canada and the United States, was shown. Group studies for Christian culture, missions, Christian citizenship and recreation were conducted by the Toronto conference leadership. The prize for the largest attendance was won by the Newmarket United Church Group.

Plans were announced for the next rally, a skating party in Queensville on Monday, February 9. The study groups and refreshments will be in the Queensville United church. All young people of the United church are invited to attend.

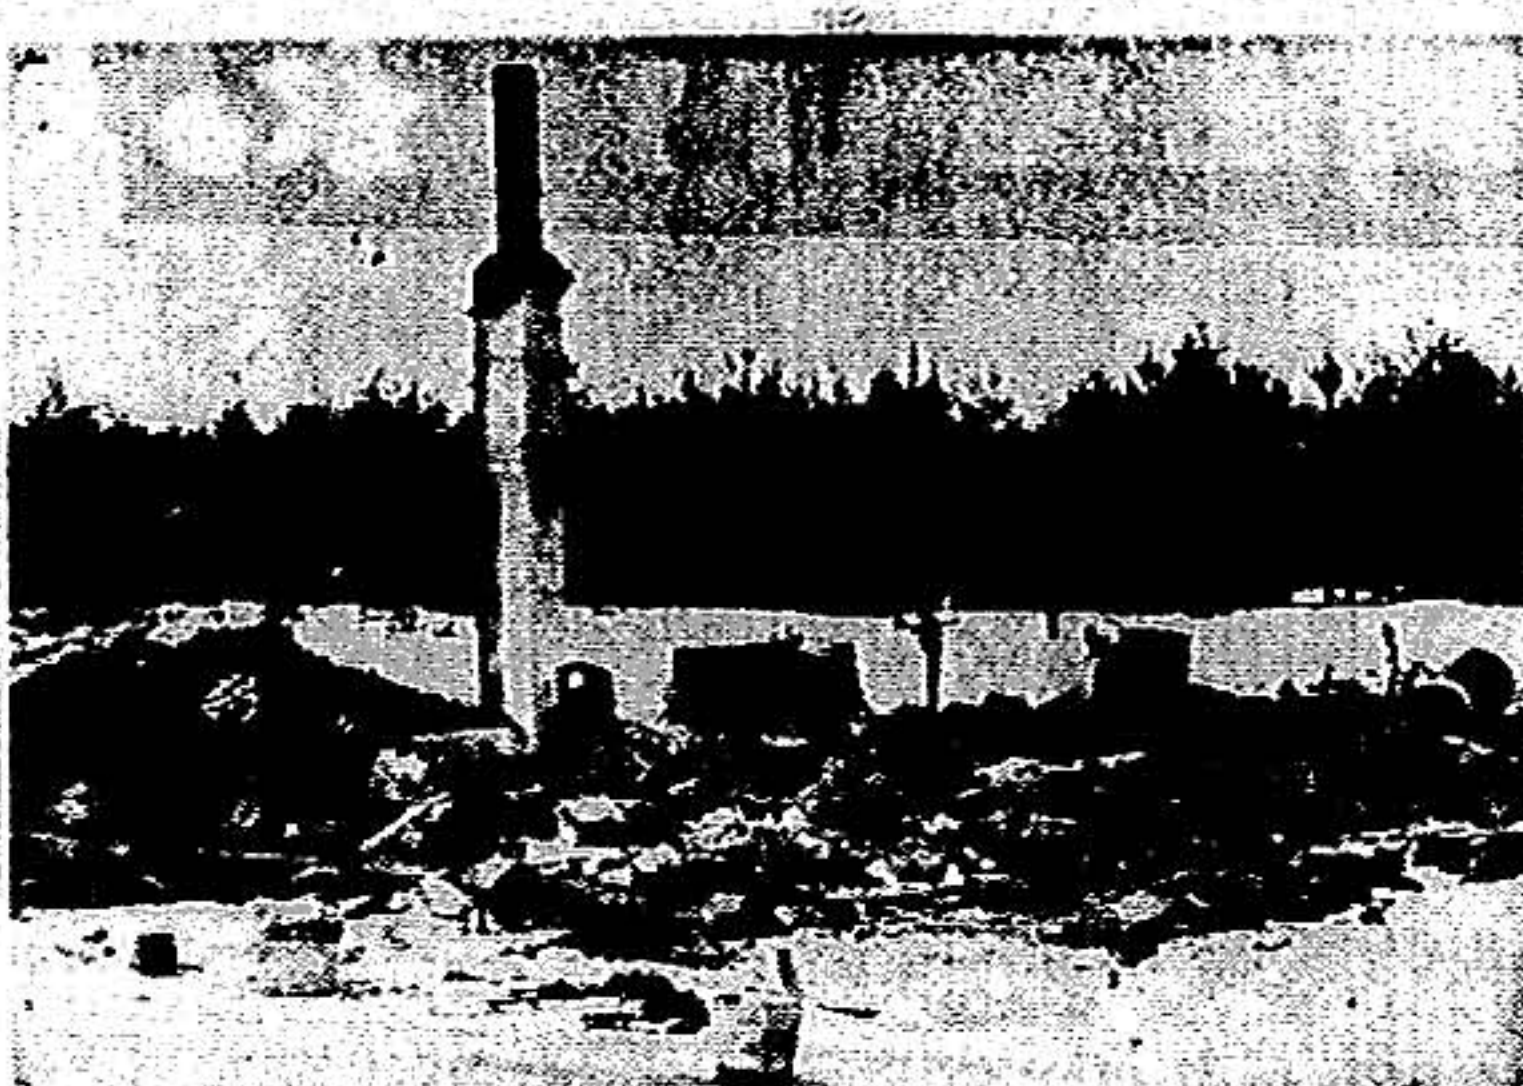

## THEY DON'T FORGET

Newmarket—Tom Doyle, Art Poppiatt, Bill Geer and "Top" Topham were third high for three weeks at a bonspiel in Richmond Hill Monday. It was the first time any of them had curled under seven years.

## SALVAGE COLLECTION

Newmarket—The Boy Scouts will conduct a salvage collection on the west side of town on Jan. 31, and the east side, Feb. 7. Proceeds are for Scout activities. The Scout father and son banquet will be held Feb. 27.

## FIRE DESTROYS FACTORY

All that is left of the Holland Landing basket factory, owned by Mrs. A. Schubert, is pictured above following a fire early Monday morning. Cause of the fire is reported to have been gasoline fumes ignited by a hot iron. Firemen from Newmarket and Aurora were called to the scene. In the lower picture, left to right, are Harold Deans, son of Mr. and Mrs. Sam Deans, Holland Landing, who suffered from the effects of the fumes, Mrs. Schubert and Gordon Stevenson, an employee.

## Aurora Legion Seeks \$40,000 For Building Fund

Aurora—John Hudson has the distinction of being the first official contributor to the building fund of Branch 385, Canadian Legion, Aurora. Mr. Hudson won a \$5 election bet from another veteran and promptly turned over the money to the trustees of the fund.

Last week the January meeting of the Aurora branch approved an objective of \$40,000 for a new hall. The proposed plan will include an auditorium, kitchen, stage, wash-rooms, as well as clubrooms in the basement. The branch proposes to make available to the community the auditorium and first floor as occasion demands. With no hall of any size available in Aurora, the Legion believes they will provide Aurora with one of its most urgent requirements.

## \$450 Back Licence Fees Paid By Theatre Firm

Newmarket—A cheque for \$450 in payment of licence fees owed by the Theatre Holding Corporation for the past six years was received by the Newmarket town council last week.

At the instruction of Mayor Joseph Vale, Clerk Wesley Brooks had billed the corporation for the fees, which had never been paid in full since the licence was inaugurated. The fee is \$75 a year. Because of the Statute of Limitations which outlaws certain debts after a period of six years, the cheque covered only the fees which should have been paid during the past six years. It was accepted.

Crown Attorney Arleigh Armstrong complained of the lack of heat in the town hall when magistrate's court was in session. Councillor Tom Birrell said the furnace in the town hall was defective. He said a heater had been installed in the magistrate's office for the time being, and that another furnace was being sought.

## Free Methodist Church S.S. Convention

Newmarket—A Toronto district meeting and Sunday School convention will be held in the Newmarket Free Methodist church over this weekend, Jan. 23-25 inclusive. Interesting topics on Sunday-school and youth work will be given by Mrs. Ethel Chase, conference Sunday-school secretary, and other Sunday-school leaders on Friday and Saturday afternoons. Rev. Frank Hobbs of the Pilgrim Holiness church will be the speaker Saturday evening.

On Sunday afternoon, Dr. and Mrs. Lowell Rice, missionaries on furlough from South Africa, will be the guest speakers.

## BOARD OF TRADE

Newmarket—A meeting to elect the board of directors for the Board of Trade being organized here will be held on Tuesday, Jan. 27, at 8 p.m., in the agricultural board rooms.

## Name Spillette Head Of Industrial Committee

Newmarket—Deputy-Reeve J. L. Spillette was appointed chairman of the industrial committee of the town council in place of Mayor Joseph Vale at the request of Mayor Vale on Monday night. Mayor Vale will continue to serve on the committee.

A by-law was passed ratifying the appointment of Miss Betty Ash as deputy-clerk and deputy-treasurer of the town of Newmarket. She has been acting in that capacity for several months, but her appointment was never ratified.

A motion by Reeve Arthur D. Evans that the town contribute \$250 to the Newmarket Aid-to-Britain fund was tabled as a notice of motion. A motion was passed granting \$35 to the Lions club to cover the deficit in the cost of the Santa Claus parade.

## Dramatic Club Believed Town Hall Free

Newmarket—A delegation from the Newmarket Dramatic club was received by the Newmarket town council on Monday night, with Charles Boyd and Delbert Gibney representing the club. They requested that the town grant the club all or a portion of the \$285 which the club was billed for the use of the town hall. They said they had been given to understand that the bill was just a formality and the money would be returned in the form of a grant. Mr. Gibney said the objective of the club was to raise \$3,000 to be used as a donation to the proposed memorial hall or in the re-decoration of the town hall.

Mayor Vale counter-proposed that "the council permit the club to pay the bill on the understanding that the council will earmark the money for the purposes which you have just described, and will give you credit for the donation." Several members of the council remarked on the good work being done by the club, and Councillor Rudy Rutenius said the members should be given the use of the hall. "It's the least we can do for recreation," he said. Mayor Vale said he would contact Mrs. Caroline Edwards, chairman of the property committee last year, to see what commitments or concessions she had offered the club.

## Propose Licensing Tobacco Selling

Newmarket—Tobacco licenses may be required by retailers as a result of an inquiry by Councillor Bert Budd at the council meeting on Monday night. Councillor Budd said that tobacco licenses were in effect in several other towns in the province, and in addition to protecting "tobaccoists" from other storekeepers who carry tobacco as a sideline for the convenience of customers, they serve to provide additional revenue for the town. The merits and demerits of eliminating the "small dealer" through such a license were discussed, with Councillor Frank Bowser opposing the plan. The finance committee was authorized to determine the extent to which such licenses are issued in other centres and what their general effect is.

## Robert Cain Installed By Aurora Masons

Aurora—Robert Cain was installed as first principal of the Aurora Chapter, Royal Arch Masons, on Friday evening. The installation was conducted by Sydney Davies and was preceded by a turkey dinner. Visitors were present from Victoria and York Chapters, including Harold Cook, formerly of Aurora. Officers for 1948 are: First Principal, Robert Cain; Second Principal, George Wilkinson; Third Principal, Clifford Spence; treas., Sydney Davies; S.E., Herbert Stocks; S.N., J. H. Knowles; P.S., Dr. G. A. C. Gunton; S.S., Wilbert Jennings; J.S., Thomas Newton; D. of C., Lynn Sparks; 4V, Charles Dodson; 3V, Arwood Cairns; 2V, Keith Nisbet; 1V, Frank Hughes; O.G., Arthur Greig.

## TO ELECT OFFICERS

Newmarket—Election of officers for the newly re-organized Bugle Band will be held in the council chambers Friday night at 7:30 p.m. James Bradford, former instructor of the Newmarket band, is expected to be present. Announcement that the band was being formed again has been greeted with an enthusiastic reception with many old members and new turning out.

## LOSE TO BRADFORD

Aurora juveniles dropped a hard-fought fixture to Bradford, 5-2, on Friday night in a district O.M.H.A. game at Bradford.

## Consider Fair Grounds As Housing Site

Newmarket—The Newmarket fair grounds and some property owned by Harry Helmer and Stan Miller at the corner of Lorne and Eagle Sts. are the only two properties considered suitable by the Central Mortgage and Housing Corporation for the erection of the 50 proposed low-rental houses, according to a letter received by the Newmarket town council on Monday night.

Mayor Joseph Vale said officials of the corporation had visited Newmarket and along with Reeve Arthur Evans, Engineer Denne Bosworth and other councillors, had visited every known site on which a house or houses might be built and that the latter constituted the corporation's decision. Mayor Vale said the cost of land and services had been the deterrent in most cases. "We have 96 signed applications for these houses and there are probably 100 others at least who might be interested in low-rental houses. They are awaiting our decision. The town owns the fair grounds so that if it were accepted as the site the

land would cost nothing. But the question then arises whether we want to utilize the fair grounds for that purpose or not, or whether we have any right to do so. All of the houses can be built there with ease, but we must find out whether we have a clear title to the land."

Reeve Evans gave notice of motion that the fair grounds be subdivided for the purpose of the erection of the houses. Councillor Frank Bowser said trouble might ensue if all of the houses had to be connected with existing sewers. Mayor Vale said the sewers served 1,500 people during the war and ought to be able to serve the occupants of 50 houses. Engineer Denne Bosworth said it might be possible to build an auxiliary sewer along Prospect St. The property at the corner of Lorne and Eagle was discussed and the committee was instructed to interview the owners concerning it. Deputy-Reeve J. L. Spillette said he would also like to have representatives of the housing corporation visit a piece of land owned by Dr. J. C. R. Edwards to determine its suitability.

## Doctors Open Offices In Newmarket Clinic

Newmarket—A new development in the field of medical practice here is evolving on the crest of Newmarket's Main St. hill, at the site of the original York County hospital. The finishing touches to the main floor of Newmarket's first clinic, to be known as the Newmarket Clinic, are being added by carpenters, and Drs. L. W. Dales and D. B. Westcott have established offices there. Two other offices for doctors or dentists are at present vacant.

"I believe that several doctors who are willing to pool their knowledge and equipment should be able to do more for their patients in a shorter time than one doctor can do alone. I hope that in a short time we may have equipment comparable

to that in many centres where doctors have organized group practice, organized clinics, and become an asset to community health. When the basement is finished here we hope to equip it with physiotherapy and x-ray equipment. Some day we may even be equipped to handle minor operations such as tonsillectomies, but for the present only physical examinations and first aid will be given here," Dr. Dales said.

Dr. Dales was also responsible for the opening of the original York County hospital in 1922. It was moved to its present location in 1925-26. One office in the new "Medical Arts" building has been reserved for Dr. Dales' son, J. O. Dales, who will open a law office shortly.

## Returns To Home Town To Open Law Office

Newmarket—Son of Dr. and Mrs. L. W. Dales, Joseph O. Dales, has returned to the Bar at Osgoode hall last Thursday. He will open his office in the new Dales' building at 150 Main St., Newmarket, in the near future.

Mr. Dales attained prominence through athletic achievement and through activity in dramatics while at Newmarket high school. Later, while a student at Victoria College, University of Toronto, he played basketball and football on college teams and was a member of the Victoria College Dramatic Society. He was also a member of the University of Toronto track team which won the intercollegiate track meet at Montreal in 1938.

Mr. Dales partially financed his university education through various construction projects. In 1939 he worked at several of these up north, and The Era and Express carried several accounts of his experiences.

He received his B.A. degree and enrolled at Osgoode hall in 1941, where he was a member of the Osgoode Rifle team and was initiated into the Phi Delta Phi (international) Legal fraternity. Later he was engaged in wartime airport construction on the west coast, and he served two years as a navigator in the R.C.A.F. Following his discharge in 1945 he resumed his studies, which culminated in his call to the Bar.

## Horticultural Society Annual Meet Jan. 29

Newmarket—On Thursday, Jan. 29, the Newmarket Horticultural Society will hold its annual meeting and election of officers at Trinity United church recreation room. The guest speaker will be R. D. Little, Richmond Hill, who is the district five director of the Ontario Horticultural Association. Everyone interested in promoting horticulture in the community is invited to attend.

## FLYING TO CALIFORNIA

Newmarket—James Sleight is leaving for California tonight by plane.

JOSEPH O. DALES

## Forums Favor National Marketing Act

The Lakeview Farm Forum met at the home of Mr. Robert Hare on Monday evening. There were 16 present. Topic of discussion was "Do we need a national marketing act?" The topic was thoroughly discussed and the meeting decided in favor of a national marketing act.

The next meeting will be at the home of Mr. Edward Alder on Monday evening, Jan. 28. The topic: "What the forums say."

## SHARON

The Sharon Farm Forum met Monday evening at the home of Mr. and Mrs. Jos. Hall. The topic was "Do we need a national marketing act?" It was decided that farmers should have the right through organization to control the marketing of their own products and that the marketing act set up under provincial marketing legislation would not be undemocratic. If there was a national marketing act it would control inter-provincial and export trade, supervise and coordinate the marketing schemes for the dominion. January 26 is review night. The forum will meet at the home of Mr. and Mrs. Wm. Osler.

**SHARON****St. James' W.A. Meets**

The Woman's Auxiliary of St. James church met at Mrs. A. Thomas' home January 14. The president, Mrs. R. J. Rogers, led the members in prayer, followed by the Litany for the month. Mrs. F. Hall gave the Scripture reading. Next month's reading will be by Mrs. H. Vanstone.

Mrs. B. Phillips, the treasurer, presented a gratifying financial report. The Christmas gift of an electric table lamp to Mr. and Mrs. Pugsley was acknowledged. It was resolved that from now on, only one parcel a month would be sent to Great Britain because of postage rates.

Mrs. W. R. Osler and Mrs. J. A. Winch became members of the branch and Mrs. L. J. Farr welcomed. Mrs. A. Thomas was asked to bring the matter of the altar guild before the vestry meeting to be held at the home of Warden Rogers January 28. Mrs. Phillips and Mrs. Vanstone were selected to secure information regarding the covering of cushions and matting.

The secretary read an appeal from one of the missionaries, Miss Susie Kelsey, Honan, China, for old Scripture pictures, Sunday-school cards, Christmas or Easter cards for use in teaching patients to read. The members volunteered to bring them to the February meeting and Mrs. Osler offered to find out the rates of postage to China, as well as what use could be made of other

cards at W.A. House.

A vote of thanks and appreciation was extended to the two retiring officers, Mrs. H. Vanstone and Mrs. W. Grose. Mrs. Fred Hall spoke briefly on a chapter in the study book, "One Family". Mrs. Thomas offered to read next month at the home of Mrs. G. Wreggit, or if not suitable to her, at the home of Mrs. E. Kiteley. Envelopes were passed to the members for contributions to the Upper Canada Bible Society to replace Bibles damaged or destroyed during the war.

**KESWICK****United Church Service Taken By Youths**

The Keswick United church is going all out for youth training. To date there is set up C.G.I.T., Cub pack, Scouts with the Scout group committee and the Scout and Cub pack Mothers' group; Young People's Association. What these people are doing is too long a story for this column, however, last Sunday was a day to be remembered in our church. Gordon Winch, Ralph Howlitt, Kay Cameron, Harold Alexander and Keith Sykes, Victoria University, guests of Mr. and Mrs. Perry Winch, Sr., took over Sunday morning, afternoon, evening, after evening and farewell at the manse.

Gordon Winch, one of our own village and congregation, led off Sunday morning, giving his appreciation and spiritual reactions of the World Missionary Conference which he attended at Kansas City last Christmas vacation. Gordon shared the speaking time with Ralph Howlitt. Has Your Life a Purpose? was the challenge and going in retrospect over his last few years Ralph told how aimless and egocentric was his outlook until he began living for others.

Gordon and his group were at home in the afternoon to all the youth of the community, there they sang and shared the good news of the forward movement which our students are sponsoring among the youth of Queen's Park, Toronto.

The evening service was taken over by Harold, Kay and Keith while Ralph and the minister carried the theme to the Ravenshoe congregation.

Those who wished further study followed the group to the Winch home and there The Greatest Thing in the World, I Cor. 13, was the topic for panel study.

Last Sunday morning our Scout troop flag which was presented to the first Keswick troop by Mr. and Mrs. Rettor in memory of their son who died in World War II was mounted along with the chaplain's flag at the left front of the United church nave. It is suggested that it would be much appreciated if some family would memorialize their late loved one with the presentation of the Wolf Cub pack flag. Anyone wishing to do so please contact Cub Master Royden Connell.

Mrs. Jas. Clarke entertained recently for Mr. and Mrs. Waldon, Mr. and Mrs. D. McGernery, Mr. and Mrs. Austin Huntley, Mr. and Mrs. Ralph Henry and Mr. and Mrs. Art King.

Sympathy is extended to Mr. I. Waldon in the loss of his brother and to Mrs. Geo. White who lost her brother-in-law.

Mr. McFattie is home from the hospital.

Mr. Tucker, on furlough from Angola, will be the guest speaker in St. George's United church when the Women's Missionary Presbyterial meet on January 27. Mission Band will meet on Saturday afternoon.

The new rink was officially opened on Saturday night with a good crowd in attendance. The new lights were in readiness for the opening.

Mrs. Jack Baine is at home and improving after her recent operation. Her daughter, Mrs. Thos. Johnston, Newmarket, is at home taking care of her.

The marriage of Marjorie Glover, Toronto, formerly of Keswick, to Mr. Harry Ealden, Toronto, took place in Toronto December 30. They have moved to St. John, N.B., where Mr. Ealden has opened a business and where they will make their home.

January is giving us a heavy taste of below zero weather. Mr. and Mrs. John King and daughter Jean, Newmarket, were calling on friends in the village on Sunday.

Mr. Cockburn, Sutton West, is the new assistant at the bank here.

Rev. Gordon Prosser and Mrs. Prosser were given a farewell party and presentation at Chesley recently. Rev. Prosser, formerly of Keswick, and Mrs. Prosser have endeared themselves to the congregation at Chesley United church after many years spent in service there. Rev. Prosser has accepted a call to a larger charge at Pembroke.

The Lakeside branch of the W.I. will meet at the home of Mrs. J. Wright Thursday, Jan. 29, at 2.30 o'clock. Will the members kindly note the change of date and place?

**ATTEND CAPPING**

On Monday evening, Jan. 12, Misses Marion Rogers, Betty Pollock, Barbara Thompson and Mr. and Mrs. Ernest Rank attended the capping exercises at St. Joseph's hospital when Miss Dorothy Thompson, daughter of Mrs. Ernest Rank, received her nurse's cap.

**BELHAVEN****W. I. Discusses Farm Topics**

Belhaven Women's Institute was entertained at the home of Mrs. Wm. Anderson with 20 members present. The meeting was opened by the singing of Men of the Soil, the farm forum theme song. The topics on farm life—"Do present day farm women have as much leisure time as our grandmothers?" "Should a farm woman do extensive farm work outside the house?" "Do I wish my son or daughter to remain on the farm?"—as given by a number of members were carefully thought out and presented in an interesting manner. It was decided that because our daughters leave home after high school and housekeeping is more intensively done than formerly with practically every room in the house heated and in continuous use rather than being saved for company as in the past, that we farm women do not have as much spare time as did our grandmothers.

All members decided they would be glad to have their sons or daughters remain on the farm but only if they wished to. Some present would rather drive a tractor or work in the garden than remain in the house. But it was the general opinion that there was enough work caring for the house and moulding children's characters without working outside the house.

It was decided to send \$25 to the Save the Children fund.

A family banquet in March to celebrate the 20th anniversary of Belhaven Institute is being planned. A delicious lunch was served by Mrs. Wm. Anderson, Mrs. Selby Fairbairn and Mrs. Norman King.

Shower

A charming New Year's shower was held at the home of Mr. and Mrs. Charles St. Laurent, Jackson's Point, to honor the bride and groom of December 17, Mr. and Mrs. William Down. The bride, former Miss Lillian E. Lang, daughter of Mr. and Mrs. Robert Lang, Elm Grove, and her husband, a son of Mr. T. Down, Toronto, and the late Mrs. Down, were married in Toronto and were entertained here on return

**SCOTT METHEREL**

Scott "Buddy" Metherel died suddenly at St. Mary's hospital in Timmins in his 32nd year. He was the son of Mr. and Mrs. W. S. Metherel, Beaverton. Surviving are his widow and three sons, David, Bruce and George, three brothers, John, Beaverton, Sam and Peter, Whitby, and three sisters Mrs. Robert Crozier (Mac), Owen Sound; Mrs. Russell Merrick (Alameda), Belhel; and Mrs. Bernard Rye (Velma), Keswick. Mr. and Mrs. Metherel, the three brothers and Mrs. Rye attended the funeral January 9 at Timmins.

**BONUS\* BUILT—THE AMAZING RESULT OF AN ENGINEERING PRINCIPLE THAT ASSURES WIDER USE, LONGER LIFE... and FORD Trucks Have It!**

Every one of the new Ford Trucks for '48 is **Bonus Built**... built with extra strength in every vital part. This extra strength provides **WORK RESERVES** that pay off in two important ways:

\* FIRST, these **WORK RESERVES** give Ford Trucks a greater range of use by permitting them to handle loads beyond the normal call of duty. Ford Trucks are not limited to doing a single, specific job!

\* SECOND, these same **WORK RESERVES** permit Ford Trucks to relax on the job... to do their jobs easier, with less strain and wear. That's Ford Trucks last longer because they work easier!

Yes, Ford Trucks are **Bonus Built**... built stronger to last longer! That's why they give wider use and longer life! That's why more Ford Trucks have been sold in Canada than any other make.

Memorial Project Nears Decision

The Ontario Municipal board has set January 26 for a hearing on the Newmarket by-law to expropriate the land between Park and Botsford Sts. just west of Main St., proposed as the site of a municipal memorial auditorium. The by-law has been read twice in the town council and after the board hearing, will be read a third time when the council must decide whether to pay the price on the land or reject it. Purchase of the property will involve the expenditure of \$29,888.

If the council purchases the property, it is to be expected that a second vote will be held to determine public acceptance of the memorial project. If the proposal of the building is rejected, the land remains the property of the town. A vote last year on the purchase of the site and the erection on it of a municipal auditorium, expressed in very general terms, was favorable by a very slim majority and so far, nothing has been done by the town council to increase that majority in event of a second vote.

Since the proposal of the memorial was first voiced, the project has suffered from an unwillingness of the council to share the planning of it with the tax-paying public. A second weakness has been the lack of attention given the position such a project will occupy in the growth of the municipality. On the face of it, the site appears most convenient but never to our knowledge has the council consulted experts in town planning on the possibility of an alternative site, one which might be more in keeping with the future growth of Newmarket.

The form proposed for the memorial, that of an auditorium, was presented to the public on what amounted to a take it or leave it basis. The public was informed of the choice of the site after it had been made. Possibly the council had little choice in the matter at the time but there has been ample opportunity since to discuss alternative sites—there is still that opportunity before a final reading accepts the values on the land and it is paid for. Certainly, the form of the memorial must be opened to further discussion before it will become acceptable to the public.

If further developments on the memorial project are to run a more satisfactory course, this year's council must reverse the practices of last year and assume the role of partners with the public in the promotion of a memorial. A repetition of last year's procedure will be soundly rejected by the public.

B. of T. Needs Your Support

The merchants behind the formation of a Board of Trade in Newmarket are taking the second step to bring the organization nearer realization with a general meeting of business, industrial and agricultural representatives on January 27 when a board of directors will be elected. The first step was a luncheon meeting of a few of the interested Main St. businessmen a week or so ago when the functions and organization of a Board of Trade were outlined by a Canadian Chamber of Commerce representative.

The January 27 meeting is one which no businessman, the term used in its broadest sense to include the professions, industry and agriculture, can afford to miss. On the enthusiasm of these meetings and the appointments they make will depend to a very large degree the success of a Board of Trade here, and success is necessary if Newmarket businessmen are ever to break away from their present catch-as-catch-can methods of setting hours, observing holidays and improving the business community.

The businessmen of Newmarket have a very real stake in the community but at present there exists no voice which can speak for them in the community business. Businessmen are in a position to suggest to, and advise municipal bodies on issues like parking by-laws which are an immediate concern to them. But at present there exists no organization through which the businessmen can speak with any degree of unanimity. Businessmen can assist in the industrial and physical growth of the community but there are no means through which information and experience can be compiled and directed to be of advantage. A Board of Trade in Newmarket would meet these needs.

The importance of Boards of Trade is becoming increasingly obvious as their number grows throughout Canada. Aurora has had a Board of Trade for two years or more and apart from its activities in industrial and community affairs, it has become noted for its annual Municipal Night. Newmarket can and should have a Board of Trade. It will if those who would benefit most by it are sufficiently interested to devote a little time to its organization.

Cost Of Snow Removal

Newmarket is somewhat better off than New York in the matter of snow costs. New York figured its bill in terms of several hundred dollars per square inch. Newmarket's bill was \$898 for the last few days of 1947 and the first 12 days of 1948. A report on costs compiled by town engineer Denne Bosworth shows the following breakdown:

The loaders at 5 p.m., January 12, had put in a total of 93½ hours, at a cost of \$280.50. Trucks had worked a total of 112½ hours, at a cost of \$190.87. The total cost of snow removal (the sum of the two figures) was \$471.37.

Snow plows had been on the roads for a total of 115½ hours at a total cost of \$421.50. The complete total for the plowing and the removal of snow until 5 p.m. of January 12, according to these figures, was \$892.87.

The cost of snow removal per hour was shown to have been \$11.25, while the cost of snow plowing per hour was \$7.50. Approximately 11.3 miles of roadway were plowed, one plow covering approximately 4.7 miles at an average cost of \$41.80 a mile, the second covering 6.6 miles at an average cost of \$34.10 a mile.

Councillor Frank Bowser said the variation in the mileage and the cost of operation per mile of the two plows was because the first plow was operating on the west side of town where the streets are generally shorter and narrower. "Most of the streets on the west side have curbs and gutters while many on the east side have not," he explained.

Technical School For Newmarket

Committees of the Newmarket town council and the Newmarket high school board are investigating the possibility of building a technical school in Newmarket. It is a timely consideration, particularly in view of the withdrawal of tuition aid to those students outside of Toronto who must go to Toronto for a technical education. A technical school for the north end of the county has been an obvious need for many years, particularly with the increasing number of students who go daily to Toronto for that education, and the countless numbers who are denied it because of cost and inconvenience.

Plans have been current for over two years for a new wing at Newmarket high school to accommodate classes in shop work and domestic science. The emphasis on an academic and commercial training has in recent years rebounded to Newmarket's disadvantage as the importance of vocational training has become recognized. The new wing was to have overcome that. The suggestion of a technical school offers an even broader horizon for the improvement of secondary education in this district. Reports of the committees will be welcomed with more than the usual interest.

Cat Nips  
BY GINGER

When you are as sick as I was, it takes a heck of a lot of weight off a cat and since I came back to the office I certainly have been stuffing myself. Jumped on the scales yesterday and they registered almost normal again. In spite of this, I have been eating and drinking more than I should, especially milk.

I love milk but lately there has been something about milk that makes me feel funny. Every time I lap up some milk, figures start running through my head. Every time I look at milk I think of the milk producers. Why aren't they making a decent living out of milk? Why don't the cows do something about it?

My head feels like one of those electric news flash signs they had at the C.N.E. "Farmers to get 55-cent increase on every 100 lbs. . . farmers don't get 55-cent increase . . . consumers pay 2 cents more on the quart . . . farmers mad, consumers mad, everybody's mad."—Ginger confused.

I have begun to have nightmares too. At nights I dream of farmers breaking bottles of milk over my head and consumers tilting glassfuls of two-cent increases. Once I dreamt about a dairy man who was digging a well in his back yard and he struck a milk gusher which eventually put all the farmers out of business. So they all went into the oil well drilling business, and the prime minister said that our whole economy was at stake in a radio speech. Aw heck, I can't figure out the milk question.

Since they won't give me free space for a Card of Thanks in The Era and Express, I'll put it right in my column and hope that you won't mind. "Ginger would like to express her heartfelt thanks for the kindness she received from her many friends during her recent illness. Special thanks go to Doctors Lockhart and Reuber, Mr. Rourke, Miss Kemp and Mr. Marshall."

I was out on Main St. last Saturday night taking my first stroll in many days. A young lady had parked her baby carriage in the middle of the sidewalk and around her were gathered four

Gleanings From  
Weekly Press

The country predominates in Canada. There are 112 cities, 494 towns and 1,037 villages in this dominion of ours.

A homely bit of philosophy from the Elora, Ont., Express, which editorializes that for every criminal who makes the headlines there are thousands of Smiths and Jones and other Canadian families of good repute who only get there when they become material for an obituary.

Taint fair, says the Express, winds up with this:

"This is about Bill Jones and John Smith who wake up in the morning, probably groan a bit and then go about the daily business of earning their bread and that of their families as a matter of fact. They steal nothing more serious than an extra wink of sleep, they do a good job and go home at night, maybe stopping for a glass of beer, maybe not, but tired, glad to see their wives and families, happy to know the events of the day and more than ready for sleep in preparation for the next day's work. Nobody ever takes any notice of them unless they go on strike or die and neither is a very happy occasion."

Cigarrotes, wimmen and whiskey ideas from the Almonte, Ont., Gazette: "The old fashioned practice of pouring brandy over the Christmas plum pudding and lighting it to see the alcohol burn in its variegated colors has been abandoned in Canada. Since the provincial governments decided to maintain the wage time regulation of watering whiskey excessively there is no point in trying to ignite something which will not burn."

A turn around Canada: Maybe it was the nurses? At Semans, Sask., Reg. Dunlop had an operation for appendicitis, 12 hours later walked across the room, two days later ordered a haircut.

Country journalism from Esme, Sask., "Paul Krushelnitsky has been journeying to Regina several times lately, presumably for treatment of some malady, but now it appears it is just a lady instead of malady."

At Port Alberni, B.C., the Advocate reports the motor dropping right out of a company bus on the highway there and while still running bumped along the ground bringing the vehicle to a stop.

district farmers near Selkirk Man., got from \$2.75 to \$3.75 a bushel for their seed wheat in bulk, uncleaned.

Monday, Dec. 20, was a high letter day for P.O. folks at High River, Alta., when they took 180 bags of mail off the train.

Rev. W. B. Tucker of Toronto still uses a watch, still ticking nicely, which his father bought in Cobourg in 1860.

every eligible voter in Scott, Sask., turned out to vote in the civic election this year, 100 percent vote.

The Carleton Place, Ont., Canadian was 72 years old on January 1, 1948, and congrats.

Letters To Ginger

Dear Ginger: Feel your press agent was very careless in not letting your admiring public know of your very serious illness. I would have made an effort to have located at least one bunch of cat-nips and a nice fat mouse for you.

The description of your illness was very intriguing but now don't get sick again and have to have an operation for you know one gets such a lot of talk from all females on that subject.

As all yellow cats are especially intellectual, speaking from experience with a yellow cat, a big fellow like you would never stoop to copy the ladies. You would be surprised how much you are admired and hope you get the time to read all your fan mail. Maybe a small bell on a blue satin ribbon would add to your appearance and protect one or more of your nine lives, and ears!

An Admirer,  
Newmarket.

THE OLD HOME TOWN  
By STANLEY

Whose Idea Was It To Give  
The Kid a Toboggan Anyway?

Poppa's hands are long since numb, His nose is white with hoar, His ears are swollen twice the size They ever were before. His bones are chilled by winter's grip, His flesh a ghastly hue, Though frost may redden other's cheeks, Dad's cheeks are turning blue. What brought about this ghastly state? How did he get so cold? Why did he freeze from head to foot? — The answer's quickly told. Dad spent the day on snowy hills, Out with his youngest son, Keeping a hand upon the helm On the toboggan run.

A mallard was frozen into the ice of Detroit river but chopped free by two men, and given a drink of whiskey to revive it. Then it flew away, according to the report. On one wing at that.

Ross Bennett of Pueblo, Calif., feeds his hogs a diet of rock salt and coal as a conditioner. In a month, he gives his 70 hogs a ton of coal and 100 lbs. of rock salt. The coal costs him \$5 a ton. Bennett claims his pigs eat less feed and derive greater benefit from it than the usual hog because of the difference in conditioning. The advantages are obvious: Rising costs this rural son Worry not a mite; He beats the price of western grain With a real of anthracite.

Here's an item by F. F. Beirne and published in the Lions club magazine recently. It is entitled "An executive has nothing to do."

As everybody knows, an executive has practically nothing to do. That is, except: "To decide what is to be done; to tell somebody to do it; to listen to reasons why it should not be done, why it should be done by somebody else, or why it should be done in a different way, and to prepare arguments in rebuttal that shall be convincing and conclusive."

"To follow up to see if the thing has been done; to discover that it has not been done; to listen to excuses from the person who should have done it and did not do it—"

"To follow up a second time to see if the thing has been done; to discover that it has been done but done incorrectly; to point out how it should have been done; to conclude that as long as it has been done, it may as well be left as it is; to wonder if it is not time to get rid of a person who cannot do a thing correctly; to reflect that the person in fault has a wife and seven children, and that certainly no other executive in the world would put up with him for a moment; and that, in all probability, any successor would be just as bad or worse—"

"To consider how much simpler and better the thing would have been done had he done it himself in the first place; to reflect sadly that if he had done it himself he would have been able to do it right in 20 minutes, but that as things turned out he himself spent two days trying to find out why it was that it had taken somebody else three weeks to do it wrong; but to realize that such an idea would strike at the very foundation of the belief of all employees that an executive has nothing to do."

SHOW FILM

Newmarket—The film Beyond Our Home, sponsored by the Protestant churches, was shown to the Y.P.U. Associations of the United churches in North York at Trinity church recently. There was a good attendance.

On Second  
Thought  
By The Editor

It appears that the Labor Government is running into one or two complications, quite apart from those offered by Tory opposition, in its nationalization program. Pride in possession is a strong emotion, strongest perhaps in the breast of the phlegmatic Briton. With ownership in coal mines and railways transferred to "the people" as the saying goes, this emotion is going to be subject to the stress of considerable expansion.

One example of the Briton's new sense of ownership has reached the public prints. An early newspaper train was delayed and the train crew and other assorted officials put to some trouble by a stubborn passenger who refused to get off the train. The passenger argued in effect that he didn't want to get off the train and there was no good reason why he should. "After all, I own it," he stated with sweet reasonableness. The debate might have remained on this theoretical level but for the appearance of a couple of cops and then the issue became one of physical force.

It is particularly difficult, we suppose, for the employees of an nationalized industry. If the engineer thought his fireman a laggard, a time waster, as one of the owners and anxious to operate a profitable business, he would be duty-bound to fire him. But the fireman is also an owner and might differ with the engineer. He would probably hire himself back again and with a raise in pay to boot.

From The Era and Express files,  
January 26, 1923.

Mrs. B. Maw, Toronto, was calling on a few friends in town on Wednesday.

The Girls' Auxiliary of St. Paul's church had a social evening at the home of Mr. Lister last Friday.

Rev. T. G. McGonigle, rector of St. Paul's church, has been in the Christie Street hospital for the past two weeks and improvement in his condition is very slow.

Mr. R. F. Smith, manager of the Office Specialty works, who has been confined to his house for three weeks with lumbago, was able to visit the factory for a short time a couple of days this week.

In response to a petition presented to the town council on Monday evening, containing no less than 387 signatures, the town whistle will blow again at 6 o'clock in the morning to wake the sound sleepers so that they will not be late for business.

This week four teachers on the public school staff have been confined to their homes with heavy colds. Miss Halladay, Miss Morning, Miss Widdifield and Miss Scott. Three of their places have been filled by Mrs. Walter Stevens, Mrs. Schell and Miss B. Boyd. One room has been dismissed as no substitute could be procured on short notice.

On the Newmarket markets this week butter sold for 40 cents a pound, eggs for 50 cents a dozen.

An old elm tree on Millard Ave. was cut down yesterday.

The 1923 auto markers are quite easy to read. As a pedestrian gets run over it will be much easier for him to figure out who it was and what his chances for damage are.

From The Era and Express files,  
January 21, 1898.

Rev. J. W. Bell is in Western Ontario for two or three weeks.

Miss Annie Weaver of Union has been visiting her uncle, Mr. Seneca Doan, and other friends in this neighborhood.

The year 1898 will have six eclipses, three of the sun and three of the moon. This is the first time in 300 years that there have been three of the moon in one year and astronomers don't expect it to happen for another 200 years.

Mr. D. Lundy, formerly foreman of the rail factory here, lost a thumb the other day in one of the machines at the Central Prison, where he is employed as superintendent of the wood-working department.

On the Newmarket markets this week, butter sold at 15 cents a lb., eggs at 23 cents a doz., potatoes 60 cents a bag, and beef sold at \$7 per cwt.

While playing hockey in the covered rink last Monday night, Mr. Ed. Doyle, one of the best players in the Newmarket team, accidentally broke his nose while in collision with his brother.

The annual meeting of the Newmarket Branch of the Upper Canada Bible Society was given the following list of officers recommended by the board: pres., Mrs. C. C. Webb; 1st vice-pres., Mrs. C. C. Webb; 2nd vice-pres., Mrs. C. C. Webb; 1st sec., Mr. L. Lehman; 2nd sec., Mr. L. Lehman; 3rd sec., Mr. L. Lehman; 4th sec., Mr. L. Lehman; 5th sec., Mr. L. Lehman; 6th sec., Mr. L. Opinions Of Other Editors

CONSUMER HAS KEY TO PRICE PICTURE  
(The Financial Post)

The first thing to recognize about the current hullabaloo on prices and revival of price controls is that most of it is synthetic.

Some of the uproar is merely party politics. A lot of the uproar is part of the campaign preparing the way for another round of wage demands. All the pro-Communist groups are joyfully adding to the noise. And, of course, one-dollar cabbage makes news and big headlines.

The housewife who is concerned with the wise use of her money has in her own hands the complete answer to one-dollar cabbage. It is the housewives who ultimately set the price of cabbage and of other things, by their decisions to buy or not to buy. And nobody in Canada is going to suffer if cabbage is off his menu for a time. He has alternatives.

The second point which is getting submerged in the current commotion is that the reasons for food price increases are that people generally never had so much money to spend, hence are consuming or trying to consume at record speed. Hungry Europe is getting a lot of our food, and many of last year's crops were disappointing. True, fresh fruits and vegetable imports from the United States are restricted as part of the program for shaving off national exchange bankruptcy. Here, of course, we are merely deciding to do without lettuce, new carrots and fruits so we can have steel, coal, gasoline—and jobs.

Buyer resistance and increased production are certain cures for present maladjustments.

A reconstituted price control system is no wise treatment for the present situation. It would only make the eventual day of reckoning worse.

It would be practically impossible to reassemble the wartime staff or to assemble any staff of competence today for an over-all control program. During war, public acceptance of, and readiness to comply with, price controls made it fairly efficient. Certainly, Canada had less black-marketing and chiselling than any other country that tried price control. But who seriously contends that price control would win general obedience now?

Are all the people now vociferously demanding price control willing to accept its inevitable concomitant, wage control? Obviously not. Yet one without the other is absolutely impossible.

## FAREWELL

The property known as the Texaco Service Station on Eagle St. has been sold and owing to circumstances beyond my control I have had to vacate the property. I endeavored to secure another business in the town but was unsuccessful and therefore had to look farther afield.

I have taken over the Texaco Station at 1334 Dundas St. W., Toronto, at the corner of Dundas and Rusholme and should be delighted to see any of the numerous persons I have become acquainted with during my stay in Newmarket.

I should be grateful if all persons owing me money would forward the amount to the above address. I should also be pleased to receive statements for any accounts I may have overlooked and are outstanding.

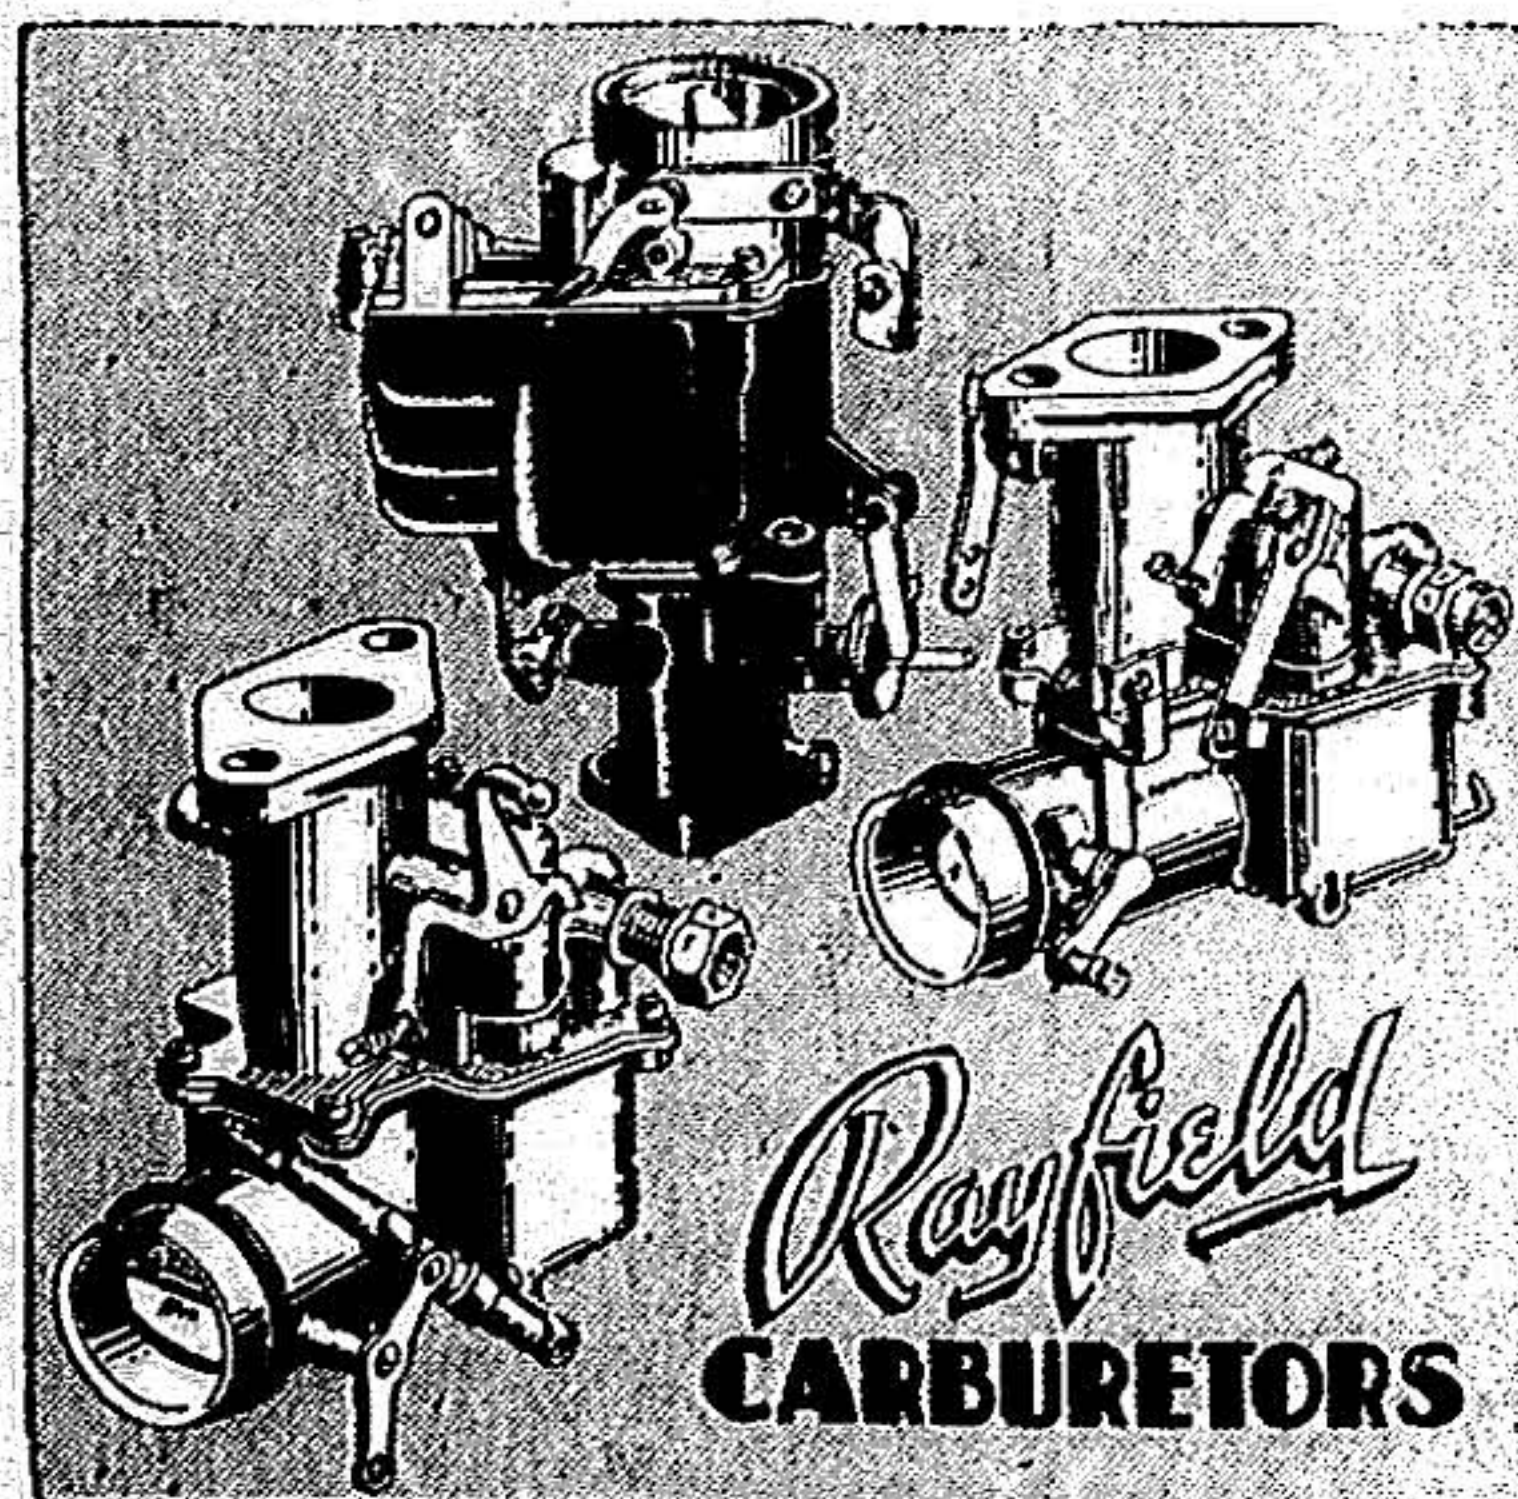

I should like to thank all customers and friends for their help and co-operation during the past months.

## On Sheep Loss Costs

The members of Scott twp. council met at the township hall at 11 a.m., January 13. Rev. A. F. Bamford addressed the council with reference to the honors and responsibilities of the councillors. He read a portion of Scripture and a short prayer after which Reeve Bain and the members of council each made short addresses and adjourned for luncheon after reading minutes of the last meeting of 1947.

T. McKnight was authorized to cut wood on road allowance, sixth concession line along lot 29. The clerk was asked to advise East Gwillimbury that Scott is willing to pay a bonus for killing foxes of \$5 when neighboring municipalities do so. A resolution was passed asking provincial authorities to look into and try to remedy the situation at Ajax as affecting Pickering twp. and county of Ontario.

Hydro contracts were accepted for Ross Glendinning, Harvey Meek, Roy Taylor, Ross Weller, Kenneth Carr, Kenneth Armstrong and Frank Case.

The report of the road superintendent of total expenditures on the highways for 1947 amounting was presented. The reeve and clerk were authorized to sign a petition for the provincial subsidy on road expenditure. A by-law was passed appointing the following officers: school attendance officer, Ford Lapp; member board of health, W. S. Cook; sanitary inspector, Harvey J. Shier; secretary board of health, W. O. Webster; weed inspector and caretaker of township hall, J. H. Blanchard; caretaker Zephyr street lights, William Moore. A by-law was passed naming the following as board of management for Zephyr community hall: Reeve Bain and Lloyd Profit representing council; Mrs. Mervyn Rynard, Mrs. Ben Kester, Mrs. Carl Meyers, Mrs. Jas. Galbraith and Miss Dorothy Curl representing local societies. By-laws were also passed making the amount of \$33,200 appropriation for expenditure on highways during the year. The borrowing of \$12,000 from bank until taxes are collected was also authorized.

A deputation of some 50 ratepayers of the township appeared before council on the matter of proposed formation of a high school area taking in this municipality. A number of addresses were given both favoring and criticising the proposal. Council for the time being deferred action.

Accounts passed: pay roll No. 1, labor on roads, \$88.20; Stouffville Motors, lights, fans and labor on new truck, \$21; repair on K8 truck and chains, \$135.87; repair on old truck to put it in the shape it had been in when purchased, \$508.25; Eastern Steel products, repairs to plow, \$77.76; County of Ontario, bulldozer nine hrs., \$67.50; Card's Garage, battery and cables, \$21.75; A. T. Button Co., paint, bolts and washers, \$3.70; Rodman Welding, on snow plow and truck, \$119.75; H. Harrison, 12 1/2 gals. gasoline, \$4.57; Stead's store, gasoline, oil, \$200; Ross Johnson, salary, \$115; Frank Foote, bonus four rods wire fence, \$1.60; Frank Thompson, sheep killed and injured by dogs, \$205; Orval Gilhooly, two lambs injured by dogs, \$25; Carl Meyers, two sheep valuations, \$4; Douglas Stiver, one sheep injured, two lambs killed by dogs, \$27.20; Times Journal, printing account 1947, \$193.15; Thomas Kydd, one sheep valuation, \$2; Jim the Druggist, medicines supplied relief, \$12.55; Alvin Riscbrough, wood supplied relief, \$65; Dr. McPherson, medicines supplied relief, \$3.50;

S. S. No. 1, trustee levy, \$800.42; S. S. No. 8, balance trustee levy, \$316.48; S. S. No. 9, trustee levy, \$549.79; William Moore, attending Zephyr street lights 1947, \$20; Salvation Army, grant, \$10.

The next meeting of council will be held on Saturday, Feb. 6, at 1.30 p.m.

### SNOWBALL

The Snowball W.I. will hold its monthly meeting at the home of Mrs. Howard Morning, Wednesday, Jan. 28, at 2.30 p.m. (Note change of home). Roll-call: How we can improve our Institute. Speaker, Mr. Raymond Marshall, Kettleby. Hostesses, Mrs. R. Haines, Mrs. O. Blair and Mrs. Carroll.

### ANSNORVELD

A boys' club has been formed with Mr. F. Black as leader. The club hopes to meet every Thursday night at the church school.

Mr. and Mrs. T. Miedema spent Sunday with Mr. and Mrs. P. Turkstra in Hamilton.

Mr. C. Rupke has returned to Holland after spending some time here. Mr. Rupke sailed from New York last week.

## SHOES

Insley's store has hundreds of pairs of shoes for men and boys. No wonder Insley's style leader store has such a shoe business year after year! This store is properly merchandised and priced correctly.

Wesley Women's Association has a box in Vandorf Store and one at the home of Mrs. Loucks for donations of "Food for Britain." These will be forwarded overseas in February. Even a small contribution will be appreciated.

45th Wedding Anniversary. Congratulations to Mr. and Mrs. Percy Allin, Aurora, who celebrated their 45th wedding anniversary on Wednesday, Jan. 14. Mr. and Mrs. Herbert Oliver and Mr. and Mrs. Fred Allin, Shirley and Murray, had dinner with them and presented them with a large basket of beautiful flowers.

Mr. Roy Morley was holidaying in Toronto last week. Mr. and Mrs. Elmer Lee (May Foster) have a baby daughter, Nancy Gail, born on Thursday, Jan. 15, at Grace hospital, Toronto.

Mr. and Mrs. J. Irwin and children, John and Barbara, visited relatives at Claremont on Sunday.

Mr. and Mrs. Alan Loveless, Agincourt, visited Mr. and Mrs. H. A. White on Sunday. 28 Attend W.I.

There were 25 ladies present at the Women's Institute meeting at the home of the president, Mrs. H. A. White, on Friday evening. The vice-president, Mrs. G. E. Richardson, conducted the meeting. A report was received on the school rink project which is making good progress. George Dewsbury was elected captain in charge and will arrange different teams to do the work. They hope the rink will soon be in operation. We feel sure all those who have been so generous with their time will be repaid when they realize the pleasure the rink gives to so many.

Plans were made to hold a euchre and box social in conjunction with the Junior Farmers. There will also be a two-day cooking school at the hall.

Miss Jean Switzer described a trip along the east coast of New Brunswick including a Women's Institute meeting there. She quoted from a letter received from one of the members there about the activities of the Tabusintac Institute.

The hostesses were Mrs. White, Mrs. H. Oliver, Mrs. H. Stevenson and Mrs. W. Yake.

Mr. and Mrs. Jim Carr, Toronto, Mr. and Mrs. Leonard Brillingier, Richmond Hill, and Mr. and Mrs. Marshall Brillingier, Handsworth, Sask., visited Mr. and Mrs. R. J. Carr on Saturday.

Mr. and Mrs. P. L. Carr left last week for a three-month holiday in the west. They will visit relatives in Winnipeg, Brandon and Regina.

### Wesley Y.P.U. Executive

The Wesley Y.P.U. executive for 1948 is: pres., William Dike; vice pres., Audrey Mackey; sec., Jack Baber; missionary convener, Basil Baber; Christian culture convener, Arthur Starr; Christian citizenship convener, Jean Morley; Christian fellowship convener, Ruth Sleeth; recreation and social convener, Ed Tidman and Muriel Pattenden; pianist, Dorothy Foster; assist. pianist, Betty Richardson.

Herbert Oliver, Clayton Pogue and John Petch were guests on Tuesday at the Aurora Lions banquet.

Congratulations to Mr. and Mrs. Arthur Starr on the birth of their son.

Reserve the evening of February 13 for a pie social sponsored by the Women's Association at the home of Mrs. G. E. Richardson.

The Women's Institute is holding a euchre party and box social in the community hall on Friday evening, Jan. 30.

### Film Board Showing

Wednesday evening, Feb. 4, the National Film Board is presenting its pictures in Vandorf hall. There will be a refreshment booth. Admission is free. The committee in charge is Mrs. Fred vanNostrand, Mrs. Arthur vanNostrand, Mrs. Herbert Oliver and Mrs. Alf Pattenden.

### KETTLEBY

Mr. and Mrs. Frank Billings and Audrey spent Sunday night with Mr. and Mrs. Frank Curtis.

Mr. and Mrs. Wm. Geer, Newmarket, spent Sunday with Mrs. E. Geer.

Mr. Trevor Proctor and Mr. Frank Billings left last Monday, Jan. 19, for Chalk River where they will spend six weeks.

Mr. and Mrs. Russell Hunter entertained a number of friends at a euchre party Saturday evening.

Mrs. Fred Schmidt and daughters Pauline and Frances spent Saturday with Mrs. John Little and family.

Mr. and Mrs. Jack Loudon, Toronto, spent Sunday with Mr. Herb Loudon and Mrs. Smiley.

Mr. Bruce Black, Toronto, spent the weekend at his home.

Mr. and Mrs. Clifton Cook, Miss Velma Cook, Mr. and Mrs. Gordon Cook, Mr. and Mrs. Stanley Barradell and Mr. Herb Webster visited Mr. Harry Webster who is improving slowly at the Western hospital, Toronto, on Sunday.

Mr. and Mrs. John Davis, Kettleby, announce the birth of their son on Friday, Jan. 16, at York County hospital.

### APPOINTED TO BOARD

Aurora — Reilly Youngs has been appointed to the Aurora town planning board by the Aurora town council.

A number from here attended the dance and presentation for Mr. and Mrs. John Wilson at Nobleton on Friday evening, Jan. 18. The couple was presented with two lovely occasional chairs, a set of dishes and an envelope of money. The presentation was read by Miss Audrey Ellison and was in the form of poetry. Mr. and Mrs. Wilson replied to their many friends and asked them to visit them in their new home.

Miss Kay West, Toronto, spent the weekend with her parents, Mr. and Mrs. G. West.

The many friends in Pottageville of Mr. and Mrs. H. Stone will regret to hear of his illness—a heart condition—which will confine them to their beds for a few weeks. Mr. and Mrs. Stone will be missed by all and we do hope they will enjoy good health after their rest.

A number of friends from the Bell Telephone, Toronto, were entertained at Mr. E. O'Brien's on Saturday evening.

Mrs. M. Abraham, Toronto, spent the weekend with her parents, Mr. and Mrs. L. Patton.

Mr. and Mrs. Leland Pattor spent Tuesday with Mrs. Patton's parents, Mr. and Mrs. J. Jarvis.

Mrs. Robt. Smith is visiting Mr. and Mrs. George Smith at Springdale.

Mrs. Tom Blackburn is spending a few days with her daughter, Mrs. A. Ellerby, in Weston. We are glad to hear Mrs. Ellerby is feeling a lot better.

### QUEENSVILLE

Mr. and Mrs. Rex Smith are spending a week in Montreal.

Mr. and Mrs. Charles Weston spent the weekend with relatives at Galt.

Mrs. Fred Evans is visiting her son, Morris, in Toronto.

The many friends of Mrs. W. Henry are glad to know she is able to be up again after her recent illness.

Mr. and Mrs. Ross Chapman have returned from a trip to Atlantic City and New York.

Our junior hockey team made a good showing at Aurora last Monday night, Jan. 12, where they managed to tie up the game.

John Cole, one of our hockey players, met with an accident and had his nose broken while practising at the rink.

The schools of the district held a delightful skating party at our rink on Friday afternoon. Our congenial rink manager, Bert Boyd, is doing a fine job in seeing our young children are learning to skate.

The euchre last Friday night was well attended. There were 16 tables.

The United church was well attended Sunday morning, a large number taking Communion. Rev. A. Milne preached an inspiring sermon and the solo by Mr. C. Milsted was much enjoyed.

### Y.P.U. Ceremony

The Young People's Union held their installation ceremony on Jan. 11. Rev. A. E. Millen, honorary president, conducted the service. The executive this year is: pres., Ivan Gordon; vice-pres., Clare Eves; sec.-treas., Fred Glover, assisted by Clarke Weddel; pianist, Margaret Morton, assisted by Anne Cunningham. The convener is: Christian Citizenship, Angus Morton; Christian Missions, Ray Leadbetter; Christian Fellowship, Clare Eves; Christian Culture, Evelyn Smith; recreation, Margaret Morton, assisted by Fred Glover.

The Young People in the past year have had successful results and we all wish their new president and his executive the best in the new year.

### ENTERTAINED AT TEA

Newmarket—The Era and Express staff was entertained at tea Tuesday by the staff of Roadhouse and Rose.

### ROCHE'S POINT

Jan. 15—Lakeview Farm Forum met at the home of Mr. Jim Porter on Monday evening, Jan. 12. There were 13 present. The topic for discussion was "The World is Our Market."

We have a new window in our school.

Mr. and Mrs. Roydon Connel and son were Sunday visitors at the Boothby home.

Mr. and Mrs. Robt. Hamilton are visiting their daughter, Mrs. Gordon McEachern, at Cannington.

### MAPLE HILL

Mr. Russell Gillion, Toronto, spent the weekend at his home.

The Young People's meeting will be held on Friday night at Betty Goode's home. The meeting is in the charge of Shirley Campbell and Evelyn English.

The monthly Bible class meeting will be held next Sunday night at Mr. Fred Knight's home.

Newmarket — Mrs. Cecilia Burch will celebrate her 87th birthday on January 20. She is in good health. Her daughter, Mrs. Charles Harmon, will celebrate her 50th birthday on January 28.

## Johnny feels so BIG!

Johnny doesn't know why he is able to carry so many of the shiny milk pails. "Aluminum" means nothing to him now. It will, when he grows up. For this modern metal is already doing much to make farm work easier.

This light metal that won't rust is being used for all kinds of farm implements and equipment to reduce labour and last longer — for such things as milk cans, garage doors, flashing, roofing, siding, ventilators.

It is a "natural" for all sorts of uses about the dairy — so light, so easy to clean and, as aluminum paint, for inside and outside use, it is equivalent to putting on a shield of wear and weather resisting metal.

In the kitchen, too, it saves endless labour as cooking utensils and house-keeping appliances. Yes, aluminum will make life on the farm a lot easier. Johnny's parents have discovered its many outstanding advantages.

### Where does Aluminum come from?

All basic raw materials are imported; Bauxite from British Guiana, Cryolite from Greenland, Fluorspar from Newfoundland. Canada makes use of her waterpower and manpower to turn them into Aluminum — uses up no natural resources of her own. All these "ingredients" are brought together at the model city of Arvida, Canada, home of the largest aluminum-producing plant in the world.

Producers and Processors of Aluminum for Canadian Industry and World Markets.

**HORTICULTURAL SOCIETY**  
Aurora - The annual meeting  
of the Aurora Horticultural So-  
ciety has been called for Thurs-  
day, Jan. 29, at 8 p.m. in the east  
room of the old town hall.

**'CELLIST TO APPEAR**  
Aurora - The Musical club is  
holding a concert in Aurora Uni-  
ted church on Friday, Jan. 30,  
with Miss Peggy Harding, L.R.A.  
M., noted 'cellist as guest artist.  
Mrs. W. B. Elmer will be accom-  
panist. The program is one of  
the most attractive yet presented  
by the group.

**DEATHS**  
Baile - At his home, 232 Daven-  
port Rd., Toronto, on Tuesday,  
Jan. 20, 1948, James Lyle Baile,  
in his 91st year, husband of Mar-  
tha Baile.  
Interment Newmarket cemetery  
on Thursday.

**IN MEMORIAM**  
Curtis - In loving memory of a  
dear wife, Effie Curtis, who pas-  
sed away January 23, 1946.  
Oh, what would I give to clasp  
your hand,  
Your dear, kind face to see;  
Your loving smile, your welcome  
voice,  
That meant so much to me.  
No one knows the silent heart-  
ache,  
Only those who have such can  
tell;  
Of the grief that is borne in si-  
lence  
For the one I loved so well.  
Ever remembered by husband,  
G. W. Curtis.

**Goodwin - In fond and loving  
memory of a dear mother, Rosa  
Ann Brown, who passed away  
January 19, 1943, also a dear fa-  
ther, Edward Goodwin, who passed  
away August 21, 1942.  
Five years have passed but still we  
miss them;  
Never shall their memory fade.  
Loving thoughts will always linger  
Around the grave where they  
are laid.  
Ever remembered by daughter  
Gertrude.**

**Mair - In loving memory of a  
dear husband and father, Archi-  
bald Mair, who passed away Janu-  
ary 23, 1944.  
We are thinking of you today dad,  
Thinking of you in the past,  
Picturing you in our memory  
Just as we saw you last.  
We do not need a special day  
To bring you to our minds,  
The days we do not think of you  
Are very hard to find.  
If all the world were ours,  
We would give it, yes, and more  
To see the face of our dear one  
Come smiling through the door.  
Sadly missed by his loving wife  
and family.**

**McGhee - In loving memory of a  
dear brother, Allan McGhee, who  
passed away January 19, 1946.  
So quietly you used to come;  
The memory we hold dear,  
But busy with our homely tasks,  
We did not think you near  
Until you reached our open door  
With cheerful smiling face,  
A face where hatred never found  
The smallest lurking place.  
But now we know you'll come no  
more.  
Though oft we wish you near;  
Your kindly acts and unselfish  
ways  
The memory we hold dear,  
But maybe when we've crossed the  
tide  
On some bright morning fair,  
With quiet step and gentle voice  
We'll find you smiling there.  
Lovingly remembered by his  
sisters and brothers.**

**Ransom - In loving memory of  
our mother, who departed this  
life January 25, 1916, and sister  
Dorothy, January 4, 1942.  
Lovingly remembered by Olga  
and Lorne.**

**Sheard - In loving memory of  
my darling nephew, Johnston Pat-  
rick, who died January 21, 1947.  
One year has passed since that sad  
day  
The one we loved was called away;  
God needed a more angel to join  
His happy band.  
So he came and gathered Johnny  
to that bright and better land.  
Ever remembered by Aunt Edith  
and Uncle Henry.**

**Sheard - In fond and loving  
memory of our dear grandson,  
Johnston Patrick, who died Janu-  
ary 21, 1947.  
Sadly he was gathered in,  
For from sorrow far from sin,  
God has saved from woe and strife,  
In its dawn this fresh young life.  
Now he waits for us above,  
Resting in the Saviour's love.  
Lovingly remembered by his  
grandfather and grandmother, Mr.  
and Mrs. John Sheard.**

**Sheard - In loving memory of  
our darling babe, Johnston Pat-  
rick Sheard, who passed away  
January 21, 1947.  
God took our little angel,  
To Heaven with him to dwell;  
How much we miss our darling,  
No words could ever tell.  
A year has passed silently away,  
We miss our boy more each day.  
But he is happy, all is blessed;  
He sleeps in Heaven with God,  
at rest.  
Ever dearly remembered by  
mummy and daddy.  
Sparks - In ever loving memory  
of our dear one, Mrs. Mary E.  
Sparks, who went to her eternal**

reward January 26, 1947.  
God knew that she was suffering,  
That the hills were hard to  
climb,  
So He closed her weary eyelids  
And whispered "Peace be thine".  
Away in the beautiful hills of God,  
By the valley of rest so fair,  
Some time, some day, we know  
not when,  
We'll meet our loved one there.  
Fondly remembered by Leonard,  
Pearl, Dorothy and Lydia.

**"Old at 40, 50, 60?"  
- Man, You're Crazy**

**EVERYBODY!  
SAVE  
ELECTRICITY**  
Help maintain the  
high level of em-  
ployment and pro-  
duction that means  
greater prosperity  
for all.

- Keep unnecessary lights  
switched off.
- Do not use electric air  
heaters or grates.
- Cook complete mea. in  
oven as often as pos-  
sible.
- Switch top-stove elements  
to "off" as soon as pos-  
sible, and use stored heat.
- SAVE ELECTRICITY IN  
EVERY WAY YOU CAN.

**THE HYDRO-ELECTRIC POWER  
COMMISSION OF ONTARIO**

**Both are 60 watts-  
...but  
Insist on  
GENERAL ELECTRIC  
LAMPS  
they Stay Brighter Longer**

One lamp may be equal to another in watt power.  
But there may be a big difference in brightness after  
both have been used for hours. Poor quality lamps  
blacken sooner. G-E Lamps stay brighter longer -  
give you better value.

**CANADIAN GENERAL ELECTRIC**

**INSLEY'S**  
**For Better Values!**  
Citizens of Newmarket we  
implore you to support  
your home town hock-  
ey teams and jam this  
old hockey arena to the  
rafters. The people of  
Newmarket must real-  
ize to be successful it is  
not necessary to have a  
winning team to sup-  
port. It's the spirit in  
sports that counts the  
most. That is what  
helps to make a suc-  
cessful town. Cliff  
Gunn has taken a big  
chance in investing his  
capital in the arena  
and is working through  
the long hours of the  
night after we people  
are sleeping soundly in  
our cosy beds. Let's  
give him a helping  
hand by turning out in  
extra large numbers at  
these games. Mr. and  
Mrs. Public, this is the  
least we can do. Let's  
give Cliff Gunn our  
support.

The Canadian Hoffman Co.  
has been exceptionally  
kind indeed to back  
the Hoffman boys'  
hockey team. They  
have spent consider-  
able capital and time  
and could do a lot more  
good work for our little  
town of Newmarket.  
Please, people, wake  
up and take advantage  
of this offer. Now,  
Newmarket, let's show  
our appreciation for  
what they are doing for  
us on our part by sup-  
porting these hockey  
teams. Come out - you,  
you and you and bring  
a friend and yell and  
yell and yell. This is  
what it takes to get a  
winning home town  
team for Newmarket.  
A successful team must  
have the town's sup-  
port - everybody, not  
just one or two persons.

**Hockey players.** These  
boys work hard all day  
and you know as well  
as I these boys are put-  
ting up a good show  
and using a lot of real  
energy. Let's turn out  
at these games just to  
show we are backing  
them up 100 percent.

**Hockey Games at Newmar-  
ket: Intermediate A -**

**"All Things Must End"**

How glibly we often quote the old adage "All things must end"! Yet, when the hour strikes for us to do for the last time some task, some employment which for years has been our familiar lot, there is something far from superficial, or trivial, in our sentiments when the old adage occurs to our minds.

Such were our feelings when on Saturday night we closed the door of our store on Main St. for the last time. For 40 years we have spent the greater portion of our days in that store. We have welcomed new customers. We have known and served them for years; and we have been left while they have passed over to the Great Unknown. We have seen Main St. sidewalks change from wood to concrete. We have seen dim lighting give place to the modern brightness of luminous gas. In all those years, like the tides of the ocean, the tides of our customers have ebbed and flowed. We have had good seasons and poor seasons. We have tried to conduct our business on lines which we thought were ideal lines of business life. We have endeavored to give good value and serve it out with willing courtesy. In this we think we have succeeded; and the fact that throughout all the years our patrons have not failed us, seems to confirm that opinion. At least we hope such is the manner in which they will think of us in our retirement.

So to all our old patrons, to all our old friends who were used to drop in and have a little friendly chat and an exchange of opinions and ideas, we say "Thank you for your kind patronage in the past—but this only in a business sense—we say a reluctant 'goodbye'".

And so for the past. But in our retirement may we say a few words about the future of 104 Main St. As well known as we were, is Tom Burke. "Lundy's" without Tom Burke would have been unthinkable. And Tom Burke is to carry on the Lundy tradition. So we hope that our patrons' "farewell" to the Lundy's will be their "hail" to Tom Burke. We hope that with our old customers to continue their patronage he will do well; and that it may be many, many years before he, too—like we now—will have to say a business "goodbye".

**Mr. and Mrs. W. C. Lundy**

**"As clear as if you were here!"**

THROUGH THE YEARS, neither time, effort nor expense has been spared to give you clearer, better telephone service. Indeed, today's telephones are actually four times as clear and free from noise as those of not so many years ago.

You get more service, too. We're completing unfilled orders—just as fast as we can get the necessary equipment. And as more telephones are added, it means more people whom you can call—more service, clearer service, and always at the lowest possible cost. Altogether, telephone users today get greater value than ever before.

**THE BELL TELEPHONE COMPANY OF CANADA**

**Guide Commissioner To Visit Newmarket**

Newmarket—Commissioner Blair Hunter, Toronto, will be the guest of the first Newmarket Girl Guides company at their regular weekly meeting at St. Paul's parish hall on Wednesday, Jan. 28, from 6.30 to 8 p.m. Mrs. Hunter will give a talk on Guiding in Canada. All girls between the ages of 8 and 16 are invited to attend. At the first meeting held on January 14, 34 girls were present for Guides and 11 for Brownies.

**TO SHOW FILM**

Newmarket—The sound film, Beyond Our Own, will be presented by the 50-50 young adult group of Trinity United church on Friday, Feb. 13, at 8 o'clock.

**1947 Canada Year Book Now Available**

Copies of the Canada Year Book for 1947 will be supplied to the public by the King's Printer, Ottawa, at a price of \$2.00 a copy (clothbound). By special concession, teachers, university students and ministers of religion may obtain paper-bound copies at \$1 each by applying to the Dominion Statistician, Dominion Bureau of Statistics, Ottawa.

Each year, a number of articles for the Canada Year Book are chosen for their special interest and on the basis of the demand that exists for them, are made available in reprint form. A list of such reprints is given in the book with their prices. Twelve maps and 38 diagrams in the Year Book illustrate a wide variety of topics.

**FESTIVAL ENTRY PLAY**

The one-act play, Heaven on Earth, being presented with the one-act play, A Bargain's A Bargain, by the Newmarket Dramatic club at the town hall February 18, 19 and 20, is the club's entry in the Central Ontario Drama Festival being presented at Hart House in March. The cast includes Mrs. Fern Russell, Jack Struthers, Mrs. R. D. Brown, Don Stewart and Marjorie Bailie. It is a cautionary French comedy directed by Mrs. Dorothy Bowman.

**Religious Discussion Planned By H.S.**

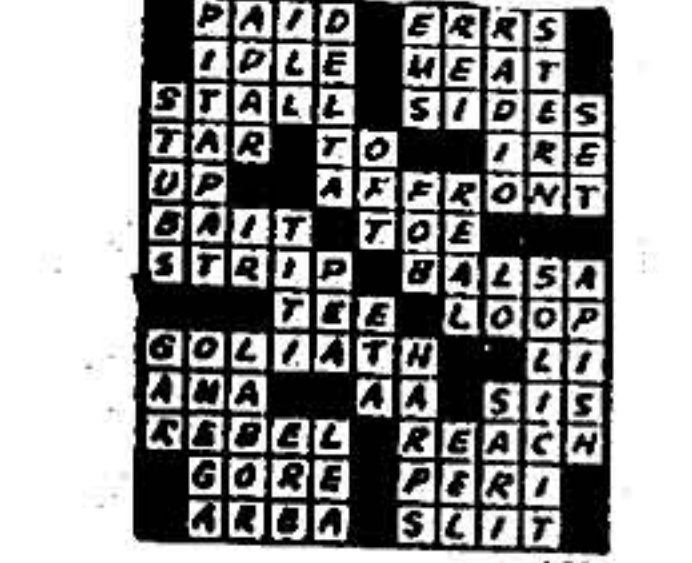

Newmarket—On Tuesday, Jan. 27, at 8 p.m. in the Trinity United church Sunday-school room, an open discussion on religion as it concerns children will be held by the Newmarket Home and School Association. Following a panel discussion of the topic there will be smaller groups for a discussion period. A special invitation has been sent to the teachers of the public and high schools.

Music will be provided by H. A. Jackson's orchestra and refreshments will be served. The Association will launch a membership drive at this meeting. Everyone interested in children and their religious education is invited to attend.

**SERVE LUNCHEON**

Newmarket—The ladies of St. Andrew's Women's Association catered at a luncheon held at the agricultural board room by the members of the Jersey Breeders' Association on January 20.

Letters to the editor of The Newmarket Era and Express are always welcome.

**SHUR-GAIN FEED SERVICE**

**MEANS High Hatchability AT Lowest Cost**

Shur-Gain 17 Percent Hatching Mash is now used by more hatching flocks than any other brand.

HERE IS WHY:  
**MORE CHICKS FROM FEWER EGGS**

This high quality hatching mash can be produced at the lowest cost because of:

**Local Mixing at Your Shur-Gain Feed Service Mill**

Local Mixing Reduces The Cost Because There Is:  
ONLY ONE HANDLING CHARGE  
ONLY ONE HAULING CHARGE  
NO MIDDLEMAN'S PROFIT

Local mixing produces high quality feed because of:  
FRESHNESS

No other feed company has these NATURAL ADVANTAGES

## Young Hopefuls

By Dorothy Muir Bowman

### The Jump-Upper

Barney, seven years old, is a "jump-upper" at the table. About two years ago, Barney started making excuses to leave the table during the middle of his meal. His first excuse was a legitimate one, and his exit was very unceremonious. Barney's mother chose the next mealtime to give a lesson in etiquette. Barney learned to say "Excuse me, please," and quietly leave the table.

At the age of five, Barney was becoming a perfect little gentleman. The only trouble was that his fond parents were so proud of his manners that they talked too much about them. They even expected him to demonstrate before company and he never failed to win approval. Barney liked practicing table exits and would find something to do for a few minutes before returning to the table. Finally one of his favorite aunts, who had been cheering his manners for the past two years, decided enough was enough and it was time to squelch Barney in the role of a table "jumper-upper". Consequently, at a family dinner party she removed his half-finished dinner and proceeded to serve the next course. Barney won't forget that incident. Besides losing his favorite piece of chicken, he missed pulling the wish bone.

A few more catastrophes such as the above will undoubtedly permanently cure Barney of his "jump-ups" at the table. There are many, many traits that are cute and charming among five-year-olds. However, if an issue is made of them and the infantile tendencies continue and become habits, the results aren't becoming a few years later. Etiquette should begin at a very early age but should be taught gradually and naturally, without accent on its importance. In fact, children are wonderful little imitators and learn best by the examples of those around them.

## BIRTHDAY CLUB

Birthday wishes are extended this week to:

- Buddy Paton, Brampton, 14 years old on Friday, Jan. 16.
- Vera Preston, Bethesda, seven years old on Friday, Jan. 16.
- Wayne Frederick Shaw, Pine Grove, four years old on Saturday, Jan. 17.
- Barbara Ann Barrey, Keswick, 11 years old on Saturday, Jan. 17.
- Joseph Erb, R. R. 1, Holt, 14 years old on Sunday, Jan. 18.
- Ileen Irwin, Newmarket, 12 years old on Monday, Jan. 19.
- Jean Anne Legood, Newmarket, ten years old on Monday, Jan. 19.
- Jackie Sanders, R. R. 1, Lefroy, 12 years old on Monday, Jan. 19.
- Harvey Burling, Newmarket, ten years old on Monday, Jan. 19.
- Norena Dennis, Newmarket, eight years old on Monday, Jan. 19.
- Joyce Rose, Port Perry, eight years old on Tuesday, Jan. 20.
- Shirley Gibson, Newmarket, seven years old on Wednesday, Jan. 21.
- Stanley Davis Gibbons, Newmarket, two years old on Wednesday, Jan. 21.
- Stewart Toole, R. R. 3, Newmarket, 13 years old on Thursday, Jan. 22.

Send in your name, address and age and become a member of The Era and Express Birthday club.

## LIBRARY CORNER by CAROLINE E. ION

"While Time Remains" by Leland Stowe, published by Alfred A. Knopf, New York, 1946, is available at the Newmarket public library. This book presents a challenging picture of the present world and discusses the responsibilities for the present political and social problems produced by the war. Following a comprehensive tour of our revolutionary world in which the author closely examines the new Soviet power and the fruits of collaboration and resistance, he discusses the world war of "isms."

In defining Fascism Leland Stowe writes that it is "supernationalist, breeder of violence, exploiter of fear and disseminator of anti-Semitism and all other anti-racial hatreds. Fascism denies equality of treatment for citizens in any country. It appeals to mob emotions and brutal instincts."

The entire tragic story of Greece since its liberation from the Germans is mercilessly exposed and this section ends with the remarks of the author on socialism, as the new middle ground.

In the closing section of the book—"The Road to World Citizenship"—the problem of atomic defence and the need for world government are fully and

## The Common Round...

By Isabel Inglis Colville

### OBJECTIVES

When we look at what mankind has accomplished through the ages, I think the doers must have had some such thought as "As your objective so shall your strength be". As they neared their goal, no matter what difficulties, disappointments and near tragedies confronted them, when they thought of what the accomplishment of their dream would mean, fresh strength came to them. Down the long line of heroes, scientists, builders, writers, artists of brush and sound, of hammer and chisel, and all the 101 forms of artistry, those who have given us improved methods of farming and gardening—everyone who has given something to the world, had an objective. One of the objectives that far-seeing people are working toward is education, adult as well as youth.

Once we were content to stuff or be stuffed with whatever was supposed to be the staff of learning we must lean on to succeed. Now, no child is forced into a mould that maybe—I say maybe—advisedly—fitted his grandfather, but no more fits his intellect or inclination than his grandfather's boots would fit his feet.

The older generation had little chance to develop or show any personality. If it peeped out, it was in spite of, not because of, the educational system of those days.

I thought some long thoughts about this one day a few weeks ago as I listened to a school board meeting. Mrs. Gordon McClure had said to me a few days previously "Have you ever been to the Bozartown school board meeting?" To my shame, I had to confess that in all the 27 years of our living here I had never attended one. "Come along to this one," she invited, and on the appointed day, we went to the school house, where the last vestiges of the Christmas concert bross were being put away for another year.

There were very few there—and who am I, a delinquent like many others—to say who should have been there? If what one reads of rural school in the old days is correct, not too much thought was given to heating, lighting or decorating. Today they have become obligatory. Some of the topics discussed were lowering the ceiling of the school house, adjusting the furnace to give more heat and the redecoration of the room to give brightness—added window space

was also discussed. One important matter was thoroughly discussed and left for the board to decide—school insurance. An insurance would safe-guard the children in case of accidents at the school and the ratepayers in case of the children causing an accident around the school or on the road beside it.

It seems that many communities are so safe-guarding the children and themselves. Mr. Legge was asked to tell something of the operation of this plan and its purpose met with decided approval. The objective of all this planning? To safe-guard the child physically just as the introduction of religious training and music are to safe-guard them morally and mentally, for music is a safe-guard, too, and appreciation, learned in childhood, goes with one through the years.

I thought of this as I listened to a recital given by the pupils of Mr. Herman Fowler in Trinity United church, Newmarket, some weeks ago. For here was a chance for children as well as adults to find themselves musically—to discover their weak spots and to test their reaction before a large audience in a large auditorium. They had been taking lessons—now they were giving pleasure. And we would like to congratulate Mr. Fowler on the results of his work.

Every teacher who has given recitals has a fellow feeling for the recital holder. One never can be absolutely sure of nerves and their reactions. I remember once, in Brockville at one of my recitals, two girls were playing a duet. I found myself holding my breath for they got faster and faster and I heard one say to the other, "I can't stop, I can't stop!" However, they did when they finished but I am sure their parents, like myself, had no breath for a few minutes.

It has been said, and most truly—"without vision the people perish", and vision and objective run hand in hand. If we have vision or objective we work towards fulfillment. No matter what the price in time and effort, we feel it worth while and nothing gives such spice to life as an objective—not too easy of attainment but worthy of our supreme efforts. If you haven't got one, get one and find an added incentive for living!

## Homemakers' Exchange

In these days of constantly rising prices, all homemakers are interested in economical dishes. Here are several recipes for serving ground meat that will help cut food costs and relieve that strained budget. They are simple to prepare and are a taste treat as well.

(Use uncooked meat in following recipes):

**GROUND MEAT PINWHEELS**  
1-4 Cup chopped onion  
2 Tbsp. chopped green pepper  
1-3 Cup chopped celery  
1 Lb. ground beef  
3-4 Tsp. salt  
½ Cup water  
1 Tbsp. meat extract  
2 Tbsp. flour

Cook onion in hot fat until golden. Add green pepper, celery, ground beef, salt and pepper. Cook slightly. Sprinkle with flour. Mix well. Add meat extract mixed with water. Cook until thick, stirring. Cool. Spread on biscuit dough (use standard recipe). Roll. Seal. Cut one-inch slices. Bake in hot oven (425 degrees) about 20 minutes until golden brown. Makes 12. Serve with mushroom sauce. Stir ½ cup milk into one can of condensed mushroom soup. Heat.

**MEAT LOAF**  
2 Tbsp. chopped onion  
1 Beaten egg  
1 Cup fresh bread crumbs  
1 Tsp. salt  
½ Lb. ground lean pork  
½ Lb. ground beef

Cook onion in hot fat until golden. Combine egg, milk, bread crumbs, seasonings and onion. Mix thoroughly. Add meats. Mix thoroughly. Spread in greased loaf pan. Cover meat with wax paper (cut to fit pan) during first half of baking to keep top juicy. Bake in moderate oven (350 degrees) 1-4 hours. Allow the loaf to stand in warm place 15-20 minutes. The meat absorbs the extra juice, slices beautifully. Serve hot or cold. Serves 4 or 5. Double recipe for 8-10 servings.

**GIANT HAMBURGERS**  
½ Cup chopped onions  
1-4 Cup fat  
1 Lb. ground beef  
1-4 Cup water  
Pepper  
1 Tsp. salt  
Cook onion in hot fat until golden. Combine onion, meat, water, salt and pepper. Mix thoroughly. Form balls, using ½-cup measure. Fry or broil. Serve with fried onions.

Guest cook of the week is Mrs. N. L. Matthews who sends us the following recipe. This chocolate cake was served at the Soldiers' Club every Wednesday during the war and proved a great favorite. It keeps well.

**FUDGE CAKE**  
Cream thoroughly ½ cup shortening. Work in gradually ½ cup brown sugar (packed). Beat well, and add 2 eggs. Work in a further 1½ cups brown sugar. Melt over hot water 3 squares chocolate, and beat into mixture. Sift and measure 2½ cups Monarch pastry flour. Sift twice with 1 tsp. soda, ½ tsp. baking powder, ½ tsp. cinnamon, 1-4 tsp. mace, ½ tsp. salt. Add alternately to mixture with 1 cup hot water, ½ cup sour cream. Combine after each addition.

This makes a thin batter. Turn into greased and floured pan, 9" x 14", and bake in a good moderate oven, 350 degrees for about 45 to 50 minutes. Cover with chocolate icing. This recipe makes a large cake.

Send your recipes and household hints to: The Homemaker, c/o The Era and Express, Newmarket. Next week: stews and dumplings.

### MAGISTRATE'S COURT

### Reformatory Sentence Passed On Fogal

Newmarket — Fred Fogal, 6 D'Arcy St., Newmarket, found guilty of damaging an ornamental tree on the property of the Newmarket Lawn Bowling Club, was sentenced to six months definite, six months indeterminate in the Ontario reformatory in magistrate's court on Friday.

Magistrate O. S. Hollinrake said that he had received a complete report from the welfare workers on the accused before he passed sentence. He said that according to the report, the accused had had an unhappy home with no one taking an interest in him. "It isn't the intention of the court to be too hard on the accused," he said, "yet it intends to do what is most effective." The magistrate said that although a two or three-month sentence would be a sharp reminder, it might have a peculiar effect on the accused. He said that possibly a year would benefit the accused, allowing him to learn a trade. Fogal said that he was interested in learning a trade.

A fraud charge against John T. Singleton was dismissed. Crown Counsel Arleigh Armstrong said that the complainant had told him that restitution would be made by the accused and that the court need not continue with the charge. Magistrate Hollinrake said that the court was used too many times for a collection agency and that there are other courts to handle cases of this kind.

Henry King and Noble Sedore were remanded until January 23. A charge of theft has been laid against both of them.

Frank Vogal, against whom a charge of assault was laid December 15, was remanded until January 23. The complainant, Mrs. Katie Mergyl, did not appear. In last week's report, there was a confusion of names with that of Frank Fogal mistaken for Vogal and wrongly charged with damaging trees.

Clarence E. Love was fined \$5 and costs for illegal parking on No. 11 highway which interfered with snow plowing. The accused said that his car broke down and he had to leave it at the side of the road.

### MOUNT ALBERT

Mr. Frank Smith, who has been visiting friends in town for a few weeks, has returned to Queenston where he makes his home.

Mr. Mac Armstrong has moved to a farm on the fourth of Scott recently vacated by Seth Mitchell.

Mr. Bill Kirtan has moved to town and is occupying the house on Mill St., which Mac Armstrong vacated.

Mr. and Mrs. Ronald Allison and Billy, Toronto, spent a couple of days this week with Mr. and Mrs. T. Allison.

The United church school will hold its annual "at home" on Friday evening, Feb. 6.

Marilyn Wrightman, Newmarket, spent the weekend with Barbara J. Pearson.

Mr. and Mrs. Arthur Dawson and son, Johnny, Toronto, spent Sunday with Mr. and Mrs. H. Price.

Mr. and Mrs. Edward Haigh and Mr. and Mrs. Frank Cunningham had supper with Mr. and Mrs. Edward Watts, Mount Albert, Jan. 11, it being their 32nd wedding anniversary. The table was decorated with the top storey of their wedding cake which was made by the late Mrs. Frank McFarland, Holt.

The Horticultural Society held its annual meeting in the United church on Thursday evening when about 125 sat down to a fine mystery supper which all enjoyed. With the president, Mr. H. Kurtz, as chairman, the annual report was given by the secretary, Mr. Roberts. Window shows were held during the summer with a good show held in the fall; seeds were given to the children of the schools and prizes given them for exhibits of flowers and vegetables at the fall show. The society keeps up several flower beds throughout the town and also the park on the top of the hill and once a year takes the service at the United church on flower Sunday. Suggestions for future work were the cleaning up of the old cemetery on the hill and also the side of the road going up the hill on Centre St. and an Arbor Day for the town and schools. The latter has always had such a day in the spring.

Mr. Cockburn, the agricultural representative of York county, was the guest speaker and gave a fine illustrated address on homes and the way they can be improved with little expense. Also improvement of the waste land by reforestation. He explained the brick thorn and certain kinds of barberry which should be destroyed as they are harmful to crops by causing rust. Mr. Cockburn gave a great deal of useful information and we hope he will visit our society again.

The following officers were elected for 1948: pres., Mr. E. Kurtz; first vice pres., Mr. T. Allison; second vice pres., Geo. Walsh. The new directors were Mrs. Ira Morton, Mr. S. Harper,

## Deputation Protests Attitude To Scarlet Fever

"The teacher puts 'em out, the truant officer sends 'em back and the M.O.H. laughs and says it's not serious, but we think otherwise," related a ratepayer at Whitechurch council meeting, claiming that scarlet fever was feared, since there was an epidemic some time ago in a nearby neighborhood. "What we want is for this council or somebody to take steps against the M.O.H. whom we think should have visited the homes where children were refused admittance to the school." The deputation headed by Albert Boaks came from a northern school section.

Reeve Lorne Evans said that the M.O.H. was beyond the powers of the council and an application or protest should be sent to the provincial department of health, concerning any dissatisfaction.

This was one of the first deputations appearing before the first meeting of the council for 1948, held January 12 at Vondorf.

Chairman Frank Riches and A. G. Thompson from the Stouffville board of education informed council that they found it practically imperative to join forces with the Markham high

Mrs. H. Broderick, Mrs. F. Cunningham, Mrs. S. Thompson. The other directors are Mrs. Reg Willbee, Mrs. R. Cupples, Mrs. H. Price, Karl Lees, H. Shields, Auditors, Ken Ross, W. R. Steeper. Delegates to annual convention at Niagara Falls, Mrs. Reg Willbee and Mrs. P. Walker.

After a great deal of work on behalf of the old police trustees assisted by the newly elected trustees, they have the skating rink going and skaters are enjoying it. Large enough to play hockey on, our boys should be able to get in their practice for outside games. They have this year put the rink on the ground in the park as having it on the cement of the tennis court did not seem to prove satisfactory.

## VIGOROUS AND UNITED EFFORT NEEDED TO COMBAT INFLATION

SAYS F. H. MARSH, PRESIDENT,  
THE BANK OF TORONTO

Gentlemen:

I feel sure you will agree that the statement presented by the General Manager is excellent. We have had a good year, and the position built up over the past 92 years has been well maintained. The Bank of Toronto has upheld its national reputation as a friendly institution pursuing the highest ideals of good banking.

### A Year of Prosperity

The past year has been one of prosperity on this continent. Yet it must be apparent to all that conditions are still abnormal. The time of complete adjustment still lies ahead. Government, industry and finance must remain on guard against the difficulties which may continue to arise from time to time.

### Problems to Solve

When we compare the bleak and austere conditions in Britain, and the chaos on the continent of Europe, with our position at home, we must realize that we enjoy an unusually favored place in the world's economy. But it will require constant vigilance to preserve our nation, its systems and its freedoms.

Our chief current danger is that of being swept along with the present inflationary trend. As bankers we must discourage unwise expansion. Business must realistically appraise its own position and in selling to consumers resist the temptation to take undue advantage of the ready money which momentarily is in hand. Citizens of all ranks should confine their buying to essential purchases and wherever possible resist prices which outrage both pocket and mind. Labour, like management and capital, must see that inflation is everybody's business and that it cannot be corrected by exorbitant profits or continuous increases in wages which simply add fuel to the fire. One of the most effective remedies is to increase production without adding to costs. Labour must give full value and all other factors in production including the mechanical improvements of the war period be developed to utmost efficiency. Taxes now serve as a brake on inflation but can be justified if used to pay off the debt incurred by war. Once inflation is conquered, taxes should be substantially lowered as an incentive to business progress.

### The Marshall Plan

Considering our high degree of dependence on exports, especially to the United Kingdom and continental Europe, it is plain that the rehabilitation of Europe is a matter vital to this country. Already in gifts and loans, Canada has done a great deal to help Europe. Much of this has come from

school area. Thus the two areas, Stouffville and Markham, would be operated by one board having a school at Markham and another at Stouffville. The larger area was forced on the district in order to meet the demands in size as set down by the department of education.

Councillors told the deputation that they did not object to the set-up, since there was little that could be done about it.

J. L. Smith urged the council by letter to pay a bounty on foxes killed. He maintained these animals are destroying quantities of poultry and with some other townships paying a bounty, he thought Whitechurch should do the same.

The bounty on foxes was discontinued some time ago and no action was taken on the request at this meeting.

It was suggested that the fire chiefs at Aurora and Stouffville make a survey of the public buildings in the township in their respective areas and make recommendations concerning water supply in event of fire breaking out. Public buildings include school houses and public halls.

The customary by-law was passed naming the various officers, road overseers, pound keepers, etc., with little change from last year.

Council decided to join the Good Roads Association again this year and all members of council were made delegates to attend the annual convention.

Road accounts, mostly for repair work, sanding and plowing snow totalled \$800, and general accounts over \$500, with nearly another \$200 for relief, were scrutinized and passed for payment. It was estimated that in comparison with last year several thousand dollars has been saved in snow removal thus far. The council is anxious to buy a ton or half-ton truck for use of the road superintendent. A

### MRS. DAVID THOMS

Newmarket—Mrs. Annie Mildred Thoms, Gorham St., died at York County hospital Sunday, Dec. 21, following a lengthy illness. Rev. M. E. R. Boudreau conducted the funeral service from Roadhouse and Rose chapel on December 24. Interment was made in Newmarket cemetery. Born at Uxbridge September 12, 1884, she was the daughter of Mrs. Alexander Yorke and the late Mr. Yorke. She married David Thoms in 1905. Surviving are Mr. Thoms, Mrs. Yorke, three sons, three daughters, five brothers and four sisters.

number of tenders were submitted but a deal was not completed, and additional quotations are being asked for.

The township hall board in charge of the community hall at Vondorf are: L. P. Evans, L. J. Harper, Mrs. H. Dewsbury, Mrs. A. H. VanNostrand, Geo. Richardson, J. A. Clark, Mrs. John Petch.

Deputy-Reeve Logan, Councillors Fred Timbers and Ivan McLaughlin were present and Councillor Les Harper was absent on jury duty in Toronto.

THE PHYSICIAN and  
THE PHARMACIST  
WORKING TOGETHER  
SAFEGUARD YOUR HEALTH

### "HAIL THE HOUSEWIFE!"

Hail the housewife! Never has there been a time when her duties were heavier—and her importance more clearly recognized. Now, as always, the lady of the house must keep her health and energy. If you lack the old-time pep and power don't wait, go at once to your physician. Let him make a careful, thorough check-up and when you have his diagnosis, do as he recommends.

There is too much of importance to be done these days to miss out through "half-way health". Should your physician give you a prescription, may we have the privilege of compounding it?

### Labour and Profit

Labour, too, is giving more study to the free enterprise system under which Canada's high standards of life have been built and maintained. Many staunch union men know that labour receives the greatest share of the consumer's dollar, that taxes get the next biggest proportion and that profits come last. Likewise, they know that it is profits which keep equipment up to date, start new companies and create new jobs. The profit incentive, as long as it is fair and just, is indispensable to progress.

### Education

The advance in thinking indicated

(Advertisement)

above emphasizes that a remedy for many—perhaps most—of our ills is to be found through education. Out of knowledge comes understanding and a realization that each of us depends on the other. The more we know, the reader we are to practice consideration and self-denial, and to contribute our best efforts to the work before us.

This great force—education—is deserving of the all-out support of every individual and institution. Our natural resources are not enough to keep Canada high in her world place unless they are developed at the hands of an enlightened public, and expanded by experienced and capable technicians and management to the benefit of our national economy.

## BANK OF TORONTO APPOINTMENTS

Promotions for executives who have spent their entire business careers in the banking profession, each of whom started in boyhood as a Junior.

F. H. Marsh

J. L. Carson

B. S. Vanstone

L. G. Gillett

The new appointments are:  
F. H. Marsh, President since 1942 is appointed Chairman of the Board; J. L. Carson, newly appointed Vice-President and Director since 1942, B. S. Vanstone, General Manager since 1942 and Director for the past year, becomes Vice-President; and L. G. Gillett, Assistant General Manager for the last four years, now appointed General Manager.

### B. S. VANSTONE, GENERAL MANAGER REPORTS RECORD NEW BUSINESS

The Ninety-second Annual Statement presented to you today can, I am confident, be regarded as in every way satisfactory.

### Profits

Our earnings have been well maintained and total profits, \$2,211,827, after our contribution to the Pension Fund, were actually higher by \$132,708 than a year ago. However, Dominion Government taxes, \$890,532, were \$118,419 greater, and Depreciation on Bank Premises and Equipment, \$133,532, was also up \$20,955. After these deductions the net amount available for shareholders was \$1,187,762, a decrease from last year of \$6,696.

Dividends paid during the year at the rate of \$1.20 per share (the equivalent of 3.41% on the shareholders' funds consisting of Capital, Reserve Fund and Profit and Loss Account) totalled \$720,000, leaving a balance of \$467,762 carried forward to Profit and Loss Account. In relation to our Paid-Up Capital, \$6,000,000, our Reserve Fund and Profit and Loss Account now total \$14,763,967, a position of which we may well be proud.

### Total Assets

Total assets, \$393,000,000, have increased over \$25,000,000 from a year ago and are the highest in the Bank's history.

### Current Loans

In the past 12 months we have continued to share to a very satisfactory extent in the general growth of business and Current Loans at \$112,000,000 are higher by \$30,000,000—over 36%.

### Deposits

Our deposits from the public now exceed \$337,000,000, an all-time high, over \$33,000,000 more than a year ago. Deposits bearing interest, \$234,000,000, have increased \$25,000,000 and those not bearing interest, \$103,000,000, are \$8,000,000 higher. In the past five years our interest-bearing deposits have increased over 150%.

### Branches

We opened 15 new offices during the year and now have a total of 200 branches, an increase of 25 in the past two years.

### Staff

We now have a staff of 2,076, 172 more than a year ago and 948 more than in 1939. Of the total, 931 are women. In the past year they have performed their duties well and faithfully and I am particularly pleased at this time to pay tribute to their loyalty and efficiency, an asset which does not appear in our Balance Sheet but which we value highly.

With the mounting cost of living it

### Security and Service

Internationally, our Banks have always been well regarded and I feel that in Canada, as a result perhaps of their services through the war years, they stand higher in public favor than ever before. We may well be proud of our banking system and in my opinion we are renews if ever we lose an opportunity to defend it.

The next few years will further test our abilities and resourcefulness but we believe that The Bank of Toronto, on the strength of its position and the character of service it renders, stands unsurpassed in a banking system that over the years has met successfully every test to which it has been subjected.

I would be the last to claim that in any way our institution approaches perfection. Nevertheless, perfection must always be our goal as we in The Bank of Toronto strive towards a complete understanding of the problems brought to us with the hope that as we solve them we shall render a continually improving service to an ever widening circle of friends.

—B.S.

**WIN PRIZES**  
Annex—J. B. Topper and Mrs. Grant McCosken won the bridge honors, and H. V. Syme and Mrs. Herbert McKenzie the euchre prizes at the Ladies' Night of Aurora Legion last Thursday evening.

**MIAMI BEACH**  
Mrs. Benton has been sick in bed for several weeks with a bad heart condition. We all wish her a speedy recovery.  
We sure are having some cold weather with plenty of snow. Many in this district have been sick with colds.  
Glad to hear Mrs. Oliver King is able to be up again after two weeks of illness with neuritis. We all hope she will continue to improve and soon be out and around again.  
There is quite a bit of flu in the district also some scarlet fever.  
Emmanuel Miller, who was 78 on January 16, celebrated his birthday on Sunday, January 18 at home with his family and some relatives.  
Mrs. Oliver King had a number of her relatives visiting her on Sunday.  
Mr. and Mrs. Cecil McDonald have moved into their new home on Miami Beach. Welcome to the Beach.  
Pearl King was five years old on Sunday, January 18.  
Mrs. McDonald was visiting at the home of Mrs. La Rue Sunday afternoon.  
Mr. James Clarke has started to build another new cottage on Miami Beach.  
The people of this district extend their deepest sympathy to Harper family in the loss of their father.  
Mrs. Freeman Sedore and little Marion visited Mrs. Emmanuel Miller last Friday afternoon.  
Mrs. Miller has her little grand-daughter, little Gloria Miller, staying with her for a few days.  
Roger La Rue was home for the weekend. Oliver King has not been so well since Christmas. Hope he will soon be feeling better.

There seems to be quite a bit of difficulty in getting the school furnace to heat the two school rooms, but hope they soon get it working.

**FINE ORCHARD**  
**Censored Films, Reading Sought By Institute**

L. J. Harper is serving on jury in Toronto.  
Young People's meeting will be held at Union church on Friday evening, Jan. 23. The topic will be in the charge of Mrs. Ross Armitage. Meeting will open at 8 p.m. sharp.  
Mr. and Mrs. Colin Widdifield, Newmarket, and Miss Doris Borden, Oakville, were recent guests of Mr. and Mrs. R. Allen and Miss Aleta Widdifield.  
The Community club met at the school on Thursday night, Jan. 15. Mr. George Luesby, Newmarket, showed films of his western Canada trip. The next meeting is to be held on Wednesday night, Feb. 11. This will be girls' night.  
In spite of cold weather, 22 attended the W.I. meeting at the home of Mrs. J. Hope. A letter is to be forwarded to the minister of health and welfare requesting "strict censorship" on movie films and magazines displayed for sale on newsstands, especially in juvenile reading material. Plans were made for family night in February. A box of garden seeds is to be forwarded to a sister Institute in England.  
Mrs. J. Ash was chairman for the program. Roll-call was answered by "qualities of a good citizen". A contest was conducted by Mrs. H. McClure. Miss Betty Hope played a lovely piano solo. Lunch was served by members of the citizenship committee, Mrs. J. Ash, Mrs. J. Lundy, Mrs. H. McClure, Miss B. Hope, Mrs. R. Chapman and Mrs. J. Hope.

**QUEENSVILLE**  
The Queensville Women's Institute will meet at the home of Mrs. Russell Strasser on January 28 at 2.30 p.m. The roll-call will be to name a public office a woman may hold in Ontario. The Union Street Women's Institute will be our guests and will provide the program.

**Christ Church Groups Have Annual Meetings**

On Tuesday, Jan. 13, the annual meeting of the Christ church Ladies' Guild was held at the beautiful new home of Mr. and Mrs. Norman Greensides where a large double wedding ring quilt was worked on while the secretary read the yearly report. The group numbers 23 members and meets once a month for a whole day. During the year 12 quilts were made, one of which went overseas in one of the large bundles of used clothing sent by the Guild. Donations of \$25 to Save the St. John's Ambulance fund were also sent. Gifts of fruit and flowers and cards were sent to all sick members and Christmas cards sent to every individual members. Two well loved members, Mrs. J. W. McLaughlin and Mrs. A. Ineson, died during the year.

All the officers were returned by acclamation. They are: pres., Mrs. R. Archibald; sec., Mrs. R. Hunter; treas., Miss Clara Sharp; flower box sec. and work convenor, Mrs. F. Crane. A very substantial balance is on hand and it is hoped to make 1948 a better year.

On Monday, Jan. 19, the annual vestry meeting was held at the home of Mr. and Mrs. F. Beatty. The wardens report a successful year of church work and have a satisfactory balance on hand. One thing they hope to accomplish shortly is better heating as the present system is not satisfactory.

The following are the new officers for 1948: vicar's warden, Mr. F. Judges; people's warden, Mr. Wilbert Crane; sec.-treas., F. Beatty; sidesmen, Messrs. Gritten, F. Beatty, J. Fawcett, B. Judges, N. Greensides and E. Fry.

A letter of thanks was sent to Mr. E. Williams for his good work in keeping the church and grounds in such excellent condition. Service will be held at the usual hour of 3 p.m. at Christ church on Sunday, Jan. 25.

All news items and notices to The Newmarket Era and Express for publication must be signed by the sender before they can be printed.

**HOPE**  
Mrs. Auley Brenair, Doris, Mrs. Bruce Townsley spent Tuesday afternoon with Mrs. Stewart Stickwood.  
Mrs. Morley Andrews visited Mrs. Howard Pegg on Saturday afternoon.  
Mrs. Stewart Stickwood spent Friday with Mr. and Mrs. Will Morton in Newmarket.  
Mr. and Mrs. Will Wilmot had supper on Saturday with Mr. and Mrs. M. Blanchard.  
Congratulations to Mr. and Mrs. Harry Walker on the arrival of a baby boy.  
Mr. Floyd Profit and Miss Dorcen Bond had supper on Sunday with Miss Hilda Andrews.  
Hope W.A. will be held at the home of Mrs. Longford Pegg on February 4.

**HOLLAND LANDING**  
Members of the Woman's Association have had letters of appreciation from the elderly people to whom they send boxes of food in Britain.  
Mrs. Pearce spent the weekend with relatives at Churchill.  
Miss Mildred Hare, Toronto, spent Sunday at home.  
The Woman's Association will meet at the home of Mrs. Cecil Brittain on Thursday, Feb. 5.  
Miss Middleton, Toronto, was the student teacher here the first week of school.  
We have a lot of snow but the village snow plow keeps our streets well cleared.

**SHARON**  
Miss Gwen Kiteley, Mr. and Mrs. Donald Kiteley, Toronto, Mr. and Mrs. Frank Caruso, Aurora, were Sunday guests of their mother, Mrs. M. E. Kiteley.  
Mrs. Smith, Twink and Alexeden, Toronto, spent the weekend with Mr. and Mrs. Newthor.  
The Misses Evelyn and Violet McDonald, Toronto, spent the weekend with their uncle, Mr. Chas. H. Wright.  
Mrs. M. E. Kiteley and Miss Nora Shaw visited Mrs. Frank Caruso in Aurora on Wednesday.  
Mr. and Mrs. Albert Hillaby, Richmond Hill, were guests of Mr. and Mrs. Alan Shaw on Saturday.

Letters to the editor of The Newmarket Era and Express are always welcome.

**ZEPHYR**  
Mrs. E. Profit is spending some time visiting friends at Napanee.  
Mrs. E. Harmon, Mount Albert, is visiting at the home of Mrs. W. J. Rynard.  
Misses Daisy Graham, Marg Lewis and Mr. Stewart Graham spent the weekend with Mr. and Mrs. Dewey Graham.  
Mr. and Mrs. Howard McKenown visited Mr. and Mrs. Tillman Meyers on Sunday.  
Mr. Rod Rynard spent the weekend at his home.  
Mr. Alf Gibson spent last week visiting friends at Beamsville.  
Mr. and Mrs. A. Armstrong and Mrs. L. Profit spent Monday in Toronto.  
Mr. Bob Bamford and friends of Toronto spent the weekend with Rev. and Mrs. Bamford.  
Miss Doris Shier entertained some friends after skating on Saturday evening.

**GLENVILLE**  
Mr. Cal Doan went with the skiing group on Sunday to Collingwood and reported a good time.  
Miss Hazel Sharpe has been visiting her sister, Mrs. Geo. Hartman, and Mr. Hartman, Bradford, the last couple of weeks.  
We are pleased to see so many out to church on Sunday. Rev. Cragg preached an inspiring sermon.  
The Glenville Ladies' Aid will meet at the church on Wednesday, January 28, at 2 o'clock. They are preparing a quilt.  
Mr. and Mrs. Wm. Keffer spent a week in Toronto visiting their children and last weekend in Newmarket with their son Mr. Roy Keffer, and Mrs. Keffer.  
There was a large crowd skiing on the Glenville hills on Sunday.

**Aurora Town Employees Seek Raise In Wages**  
Aurora—Four town employees, James Goulding, streets foreman, John Bak, William Summers and John vanderMaaten have requested Aurora town council to review their wage status. They request a straight cost-of-living bonus of \$5 per week or in the alternative a boost of 15 cents an hour in wages. The request was made because with the rise in the cost of living their present returns were inadequate, they said.  
Council was told that last year the rates were raised in the spring for these employees retroactive to January 1. Mr. Goulding as foreman receives a flat wage of \$38.50 and is on call continuously. The other three receive 70 cents an hour, which with a 44-hour week and no overtime averages \$30.80 per week.  
"We are only facing what all employers have to face and the men are experiencing what all working men are experiencing," said Councillor Swindle. "I would like to see some system that would be automatic inaugurated about wages. When living costs go up an increase would be automatic and when they go down, then a decrease."  
The finance committee will deal with the matter before the next meeting.  
Council turned down a request for a grant to the Polish Relief fund but sent on to the committee a request for a grant to the Hospital for Sick Children.

**Dairy Complains of Rates, Says Service Poor**  
Aurora—The question of water rates for Cousins Dairy will be dealt with by the Aurora town water committee. A. M. Cousins, president of the firm, wrote that in 1947, they had experienced considerable operating difficulties because of low pressure and at times inadequate supply. This had resulted in much overtime and inconvenience. As compared to costs in Newmarket, Bradford and Weston the firm felt that rates were high to them in Aurora. The Hillsdale Dairy of Newmarket was cited as having a flat rate of \$15 per month. The present rate for Cousins is 10 cents per 1,000 gallons up to 50,000 and thereafter 7 cents per 1,000. It was explained in council last week that the complaint had come before the 1947 council late in the year but had not been dealt with. The present charges were held in abeyance by the firm pending a decision on the question.  
The water meter at Collis Lenthur was reported not working and the flat rate in effect when this occurred was not satisfactory to all concerned. The committee was authorized to obtain a new meter and if possible have the old "obsolete" meter repaired.  
Insert screens at the water-works wells have cost \$475.50 to date, a figure higher than the \$450.00 estimated and the expense is not yet over. The work is being done by Wesley Hoffmann. Sand-pumping and work on the Billing property well will also have to be done in 1948.

**TO HOLD TAG**  
Aurora—The Lions club has been granted permission to hold a tag day on January 24 for the "Food for Britain Fund," by Aurora town council. The Canadian Institute for the Blind were given Saturday, May 1, for their tag day.

**AWARDED CERTIFICATES**  
Newmarket—Innisarra Smilax Butterball -151951-, a jersey cow bred and owned by Mrs. Alice Hawkes Robinson, has been awarded Silver and Gold Medal Certificates by The Canadian Jersey Cattle Club. Butterball went on test as a junior three-year-old and in 305 days produced 13,170 lbs. milk, 636 lbs. fat, with an average test of 4.83 percent. The Robinson herd has been making many splendid records during the past year and the office of The Canadian Jersey Cattle Club announces that three of the 64 class leaders in Canada in 1947 were in the Robinson herd.

# Hoffmans Finally Click To Win First Game

By GEO. HASKETT, JR.

Everybody is happy about Hoffman's winning their first game of the season here Thursday. That is everybody but the visiting puckmen from Orillia, but then they weren't supposed to be happy as they absorbed an 8-5 licking. To say the least, the win was long overdue.

Hoffman's turned on the heat right from the start and Clarke in the Orillia nets had a tough time of it. Hoffman's jammed five goals past him to lead 5-2 at the end of the first. They shot in the lone counter of the second. In the final frame they found the going a bit tougher and they were forced to give ground, being outscored three to two.

"Hot Shot" Bill Johnston set the pressmen on the victory road after three minutes. Don Smith going on the score sheet for an assist. Six minutes later it was turn about with Don Smith doing the shooting and Johnston supplying the pass. Harry Cardonna swung in for the kill on

the third marker. Jackie Gibson, a newcomer to grace the Hoffman roster, set up the play for his wing-mate. Harvey Gibney-Myles McInnis combine got the fourth at 13:20. Don "Buck" Smith, who always has claimed "I never get any goals but cash in frequently on the assists" clicked for the fifth, his second of the period. Joe Peat slipped up from his blue line position to put Smitty in the clear. Ivan Gibbey of Sutton, holding down a wing berth with Orillia, slapped in their initial tally with Bill McGill firing home the second.

Myles McInnis blasted home the lone marker of the second at 18:00. It was his first of the season. Harvey Gibney and Johnny Crewson got the nod for the assisting work on the tally. Johnny Crewson potted both third-period counters to keep alive his goal-a-game record. Harvey Gibney fattened up his scoring average with the assist on Crewson's first tally, and Joe Peat set the stage for the second one.

# Gapco Falters Badly As Flyers Take 10-1 Win

By GEO. HASKETT, JR.

We knew the first jet job had just been delivered in Canada, but we didn't know that it had gone to Aurora. So help me, they must have outfitted the whole Aurora Flyers with jet engines. There was no catching them Tuesday as they flew to a 10-1 triumph over the helpless Gapco Juniors.

Any resemblance to the usual grudge battles of these old rivals was entirely lacking in this tilt. The nearest thing to a scrap, and that only a half-hearted attempt, came half way through the second when Busher Boychhoff and Bugs Broughton engaged in a bit of a shoving duel. Referee McEchren promptly waived them both off for two minutes.

It was strictly an Aurora night. They took a two-goal lead in the first, boosted it up by three in the second to lead 5-0. Then they made a rout of it with

five in the final frame. Newmarket fans had very little to cheer about except in the final period when Ken Broughton picked the top corner of the net with a drive. The big boy earned it for he came up with a battling display all night. Frankie Joy went on the record sheet for an assist.

That guy Doolittle played a whale of a game on the Aurora defence. Three times he sparked their attacks and earned three assists for his work. Jack "Lefty" Andrews also came in for plaudits for good game. Left Winger Tommie Brodie was a streak of lightning up front for the Flyers. It was this young speedster who set the score sheet ablaze with four goals. Stew Patrick had two. Busher Boychhoff, that oft protested right winger, ranked high in the point parade with a pair of scoring credits. Ron Simmons and Jack Andrews dunked the other pair.

# Down The Centre

By T. A. M. Hulse

**INTERMEDIATE ERUPTIONS AND INTERRUPTIONS**

Collingwood will be the guests of Hoffman Machinery tonight in Newmarket and those attending will see one of the best battles of the year. Too bad that the Newmarket Juniors are playing the same night in Aurora against the Flyers for the cannalown youngsters are deserving of some support on the road. Next year we hope that the hockey executives of the "twin towns" as Dr. Lowell Dales used to call them will get together and settle on some system that will not involve both towns featuring big games the same night since nobody including Superman has as yet devised a method of being in two places at the same time. But back to the bigger fellows and a jaunt around the intermediate circuit which we've been neglecting more than somewhat so far this year.

Coach Norman Cadesky of the Collingwood club has made a fine showing to date in his first year as coach. A former professional, Cadesky came to Collingwood from Hamilton and he presents an experienced crew of puck-chasers needing only a bit more youth to give them all-round strength. In goal Cadesky has two top performers to choose from: Ileg Westbrooke, who is a member of the fourth estate with the Collingwood Bulletin-Enterprise, and Fred Sparks, formerly of Stratford seniors. Westbrooke, a fine all-round athlete, is a Collingwood boy and has guarded the nets for Army Diggers, No. 2 C.A.C.T.R., Canadian Armored Corps, Collingwood and Owen Sound Mercurys. He's tall, lean and fast. Sparks is not known to us personally but he did a good job last year in senior company. Jack Wheeler, who needs no introduction to Newmarket fans, heads the blueline brigade.

Wheeler, a former Guelph and Barrie junior, performed for the camp and provided quite a bit of local color to the team. Chuck Sandell of the well known Collingwood hockey family is another defenceman and Lou Dunkelmann, former Midland junior in his first year at Collingwood, Jim Dance, up from junior ranks, and the veteran Rusty Butters provide strength and depth for the blueline defenders. Butters has played on several intermediate championship teams. Vic Bishop, who until this year played intermediate and senior at Owen Sound; Toad White, veteran forward; and Bob Sandell, who had a promising hockey future interfered with by army duties, make up one forward line and get their share of points. Chub Butters, the younger of the two brothers, with five or six years in intermediate; Ab Kirby, former Barrie Colts and for some years one of the leading scorers in district intermediate company; and Britt Burns, who played minor pro about ten years ago, provide Cadesky with a dangerous trio who know all the angles. Nip Spooner, a small package of durable dynamite who is perhaps better known for his baseball and softball activities; Ed Borey who hails from Kingston; Doug Woodside, a former junior; Jim Green, Thornbury, who was with Stayner Juniors last winter; and Howard Sheffield, native born colored boy who has played junior B with Barrie, complete another line. In pre-season games, Collingwood defeated Markham Millionaires 8-4 at home and then dropped a game 11-5 to the Millionaires in Markham. Since handling Newmarket a 7-3 defeat in the group's opener, they have played only 50-50 hockey so Hoffman's should stand a good chance of pleasing the hometown fans with another win.

# Midgets Lead Group, One Game Left To Play

By GEO. HASKETT, JR.

Bradford midgets would have had a better chance of stopping a fast moving train than holding our Legion midgets. Our mites are now in full swing and they proved it with a satisfactory 5-2 win over Bradford Monday. As the record book now stands, Newmarket is out in front in the group and can't be dislodged from that lofty perch. They have but a single game to go to complete their regular schedule, a trip to Bolton. Then it will be play-off time.

The Legion led 2-1 at the end of the first session, Bill Smith and Joe Burke dropping the biscuit behind the Bradford net-minder. Bradford replied with a lone tally by "Tito" Collings.

Right winger Doug Bunn increased the Legion lead in the middle frame with a nicely executed solo dash. Bunnie snaked his way through the entire Bradford sextet to whip a low shot into the cage.

Aubrey "Pepper" Martin, that young centre ice smoothie, then came up with his bit in the scoring shenanigans, twice sinking the disc in the final period. This gave the Legion a commanding 6-1 lead. Joe Gasko with the Osachuk boys assisting got the Bradford second counter.

Line-up: Newmarket, goal, J. Stickland; defense, I. Brown, B. Groves; centre, B. Smith; wings, D. Bunn, R. Coveney; alternates, M. McDonald, A. Martin, W. Cain, K. Burke, J. Cain, H. Peterman.

# Lions Take 12-4 Win From Queensville

By GEO. HASKETT JR.

Goals! Goals! Goals! That's just another way of saying coach Fred Hall and manager Eddie Gibson still have our Lions juveniles on the victory train with a 12-4 win over Queensville Tuesday night. It's a fact, the Lions are the class of the local juvenile group. This was their fifth win with nary a loss to mar their record. They have bopped off every team in the group by healthy margins.

Once the Lions shot into the lead, which they did to the tune of four goals in the first, they were never in trouble. They smashed in for a further three in the second with the Queensville crew still showing a goose egg. Then in the final twenty, Fred Hall's squad lowered their sights with devastating effect to up their total by six. The visitors finally got into the score column, after three minutes of the third. Then went on to boost their total to four with three late period tallies.

# Hi-Lights of N.H.S.

The tough part of the week came at the sight of ye olde report cards, which are carefully being filled out by our teachers. These may cause a lot of commotions. "Anyway, we tried hard," will be one overworked phrase when the cards are presented at home.

Fashions

A definite school uniform of black tunics and white blouses has been a rumor that was confirmed by Principal W. J. Lockhart this week. For quite a while, the possibility of uniforms has been a matter of discussion among the girls and this week, the decision was made. The tunic should be worn above the knees, we were told, and with black stockings. The New Look of the day includes black stockings but we'll bet the fashion designers would scoff at the thought of seeing skirts above the knee after they have spent so many months promoting hemlines at the ankles. This uniform is not compulsory but as far as we can figure it, most of the girls will support the idea. But don't be alarmed, boys, it may die out as a fad.

Basketball

Miss McGee is still having strenuous practices for both senior and junior girls. Notices have been posted on the bulletin board with time and place of the games.

The boys are also practicing very hard to build up a terrific team with an eye on the North York championship. Schools which are playing in the league are Richmond Hill, Aurora, Uxbridge, Pickering College and St. Andrew's, and occasionally a collegiate from Toronto. Last year, we had two terrific teams so what about this year, kids? We'll be rooting for you all the time. This is where cheer leaders would come in. So how about it, our student council?

# ON THE ALLEYS

Here is a summary of the recent doings of the Mount Albert bowlers. Team standings: Tigers, 45 (30 games), Skylarks 42 (30 games), Cubs 38 (24 games), Excelsiors 38 (27 games), Bluebirds 35 (27 games), Bluebells 33 (27 games), Cardinals 33 (24 games). Ladies' high single with handicap, Mina Stokes 292, V. Thompson 285, R. Parks 263. Men's high average: F. Dampf 205, M. Roberts 192, G. Scott 179. High three with handicap, F. Dampf 748, S. Hammett 728, Dr. Carruthers 700. High single with handicap, F. Dampf 331, M. Stokes 316, Dr. Carruthers 311.

Scores that were handed in this week will be printed next week.

# HOFFMAN VS. GRAY COACH

Hoffman Machinery have an exhibition tilt with the Gray Coach head office team on Monday at the local gardens. The bus boys have some real hockey talent. This will be kids' night with the kids admitted free with an adult admission.

# AURORA BEATS PICKERING

Aurora high school juniors defeated Pickering College 8-2 in a North York Secondary hockey fixture last Thursday at Newmarket.

# High Flying Flyers Brought Down By "Square"

By AB HULSE

It was a "New Look" hockey team which Coach Ike Harper of Victoria Square dropped over the boards at Aurora arena on Thursday before the eyes of close to 1,200 spectators. The Square sextet astounded the home fans as they took a 6-4 win over Aurora Flyers with plenty to spare. The loss was the first Aurora has sustained in eight starts and left the two teams tied for the league leadership. Except for the opening period, the visitors had the game well under control, outskated the Flyers and had the Aurora defence bewildered with picture passing plays.

The Aurora defence didn't hand out a solid body-check all night, while on many occasions the forward line was trapped inside the visiting blueline and goalie Keith Kyle frequently had two and three forwards in on top of him with only one rearguard in front. At that however, it was a second period break that gave the visitors the edge as with Tommy Brodie in the penalty box the Square took over the lead and from there in, the Aurora team couldn't seem to get organized. While Kyle could not be blamed for the loss, at least one soft one beat him, and the defence backed in on pepperpot Eric Smith in the twine cottage.

Polly Minton, smooth-skating centre of the visitors, opened the scoring at 1:00 of the first period as he cashed in on Jewitt's pass. Tom Brodie evened the count at 7:48, Brinkos drawing an assist. Bill Wilkinson put Aurora in front on a nice play at 10:45. Jewitt knotted the count at 17:25 taking Skippy Taylor's pass. Jewitt and Andrews were the paraders to the penalty box.

When Brodie drew a penalty at 28:40, the visitors struck fast, Jewitt slapping home Minton's relay to the goal mouth. As Aurora raced to the attack, and got caught up the ice, Lewis poked home Clement's pass at 31:20. McMillan and Sellars made it 5-2 at 37:58.

Bill Boychhoff raised Aurora hopes at 42:35 as he cashed in on Simmons' pass. It was the best Aurora passing display of the night. Bun Sellars got that one back to cool out Aurora at 44:20. While the Square team had two men on a breakaway Kyle should have handled the shot. With Campbell in the hoosegow, Ron Simmons scored the last goal of the night at 54:40, Brinkos assisting. Sixteen seconds later a small war broke out as Mabett and Simmons tangled and while all the players entered the fray, no damages were suffered and only the two participants banished by referee Max Rescor.
